Please note: If your town or parish installs any festive lighting, you must notify us and complete the attached forms, whether the electricity supply is metered or unmetered. Please clearly state which type of supply is being used.
If your town or parish does not install any festive lighting, please disregard this email.

Please find attached the information and forms required for festive lighting for the **2026/27 season**.

Please ensure the forms include (if not - no license will be approved):

Please email the following to northern PowerGrid:

- NPG FL Submission 2026-2027

For guidance, I have also attached:
