# Editor's Letter

## Hello Everyone

**I've just finished editing this issue of the newsletter and we have so much to look forward to in December, I dare not even think about the number of calories that would be consumed if we went to every Christmas Event and ate just one mince pie!!**

Our Village Hall Committee have been very busy in November planning a number of Christmas Events, and after the success of the Art and Craft Fair, I know we're in for a real treat. Our community pub is also holding a number of events to get us into the Festive Spirit – please see their articles in this issue of the newsletter for further details.

It's great to hear that the Church Social Committee have started meeting again and are holding a fund-raising event on December 10th (coffee morning at the Bosville Arms) and have the Snowdrop walk planned for February. They are looking for “younger” and “energetic” people to help and I suspect they are very flexible on the definition of “young “ so why not get involved, have some fun and help raise money for our

wonderful church, who is also the sponsor of this issue of the newsletter.

I know many of you enjoyed Derek Holroyd's Yorkshire Quiz – it was certainly challenging and of course we missed the answer to question 20. The clue was Corvids wound site, the answer- Ravenscar (very clever!).

Going forward we will try to include at least one quiz in each issue, and we would welcome any contributions, please email: [rudstonnewsletter@outlook.com](mailto:rudstonnewsletter@outlook.com) or see one of the newsletter team.

I was thinking it might be more interesting to have someone different each month to write the editors letter, if anyone is interested in volunteering, please get in touch.

This issue covers December and January, so the next issue will be February. I hope you all have a lovely Christmas and wish everyone all the best for 2022.

Dear Friends,

The Christmas countdown is well underway and plenty happening in the village and at church. We have a rich Church line up for Advent and Christmas and I do hope there will be something for everyone of us. I also hope it will be a time where we will have fun, celebrate, find meaning and remember the greatest gift of all; Christmas starts with Christ.

Have a very merry and blessed Christmas, Glyn

## Church Services and Events December

For four Tuesdays of Advent, beginning on the 30th November, starting at 7pm (lasting for about an hour) we will use some images and music to look at the hidden Advent. Contact Glyn for the Zoom address.

On 20th at 7pm, both in Kilham church and via Zoom, we will have a special service, 'The Longest Night'. Although Christmas comes accompanied by jolly songs and expectations for a good time that's not how it feels for many people. Maybe your year has been particularly hard (pandemic, loss, illness, estrangement) for whatever reason, and Christmas seems to highlight the difficulties. Or maybe you just want space to reflect. Wherever you are, you are very welcome to either come to Kilham church or join via Zoom for this service. Contact Glyn for the Zoom link or just drift into church on 20th.

## January 2022

# **RUDSTON NEWS AND EVENTS**

## **ALL SAINTS CHURCH SOCIAL COMMITTEE**

At last, we were brave enough to meet together and discuss the future of the Social Committee. Everyone wanted to carry on as members of the Social Committee and endeavour to support the Church by holding fund raising events but with the proviso that we need more help at such events. There is so much energy in the community of the village at present that we hope some of the younger people will help us.

Our first fund raising event since February 2020 is kindly hosted by The Bosville Arms. There will be a pre-Christmas Coffee morning there from 10 until 12 noon on Friday 10th December in aid of Church Funds. Tickets are £4 each to include coffee or tea and an edible treat. Please try to buy your tickets before the event to help with catering for the correct numbers. Available from Jean Corner 01262 420 622 and Margaret Reed 01262 420 648 and other sources.

Please come and enjoy a social morning before the hustle and bustle of Christmas.

Everyone welcome.

There will also be a raffle and some festive guessing games.

(we hope that has got you guessing already!)

### **Gallery Building Consultation**

The refurbishment of the gallery building on the Bosville Arms site is due to begin in 2022. To enable the sourcing of development grants, a community consultation will take place over the winter months. The consultation will include pop- in viewing events and an ideas survey.

Your thoughts and opinion on how you would like this building used are extremely important to the project. Please look out for details of the survey early in the new year and take the opportunity to view the building at one of the pop-in events. Details of the events and how you can receive the survey will be posted on the village notice boards and the Rudston Community Pub Ltd website. In the meantime, please contact the committee via the options below, if you have any questions.

## RUDSTON VILLAGE HALL

We held our now monthly bingo night on 4th Nov. Another successful night. The youngsters seem to lead in the winnings! Thanks to everyone who supported, and all who helped in canteen/setting up/clearing away. Thanks to Jean Corner for stepping in as bingo caller.

On Sun 14th Nov the Art and Craft fair was a tremendous success. With 15 fabulous trade stands selling crafts ranging from cards, jewellery, paintings, sculptures and much more. Something for everyone. The village hall was busy from opening the doors through to the end of day. One regular trader commented that it was the best craft fair he had attended. Michelle Foster, chairperson said "we would like to thank everyone who attended, had a stand and all the volunteers who donated the lovely cakes and helped during the day". About £320.00 was made for the village hall funds.

## RUDSTON W.I.

Philip Clarkson gave us an illustrated talk about his visit to Australia travelling from the West Coast across to the East Coast which made us all feel as if we had been on holiday to Australia on a guided tour for an hour without even having to leave Rudston Village Hall. Chris Gatenby kindly helped out by using her laptop to present the pictures. June Sellers gave the vote of thanks and Shirley Sutton and Margaret Raven served refreshments. Hazel Conner presided over the short business meeting which followed and members selected from the Christmas lunch menu. Our December meeting is to be held at The Anvil Arms, Wold Newton on Thursday 2nd of December at 12.30 p.m. Members were reminded to wrap a gift for a fellow member to bring to the lunch with a spend limit of £2.!!!!!!! We like a challenge!

The January meeting will be on Thursday 6th at 2p.m. in Rudston Village Hall when we will play "Dominoes with a Difference". This has become an annual event and is very enjoyable. Each winning pair of each game has to move on but also everyone changes domino partners. So, there are a variety of rules which makes it more interesting. We hope some guests will join us as we play in tables of 4 so need quite a lot of players. If you want to give it a try please come along.

We will have a break for refreshments and maybe a written quiz and be finished by 4 p.m.

There was a really good turnout for the Ladies night at the pub. I hope some of you will give the W.I. a try. We have a variety of speakers and outings and events, come and see.

## THE EATMORE PUDDING CLUB OF EAST YORKSHIRE

It's hard to believe that it's been 9 years since we launched our second recipe book 'Cakes, Bakes and Sweet Treats'. Unfortunately, due to the pandemic over the last 18 months it hasn't been possible for us to hold any fundraising events. This is why I would like to raise the profile of our recipe book.

The book contains 63 delicious recipes, ranging from Red Pepper & Cheddar Tortillas to Spicy Sausage Rolls through to Apricot & Orange Flapjack and Chocolate Fudge Muffins. It only costs £5 and all the sale proceeds go to Saint Catherine's Hospice at Scarborough.

Anyone who has had a family member or friend cared for in a hospice will appreciate how important every penny is to enable them to provide specialist care for any patients and their families.

With Christmas just around the corner, at just £5 each these books are fantastic if you need a little gift or stocking filler for someone and as they are a handy A5 size, they are easy to pop in the post. Furthermore, you know that the money is going towards a very worthy cause.

If you would like to buy a copy or if you would like to take a look, please ring me on 420708.

Wishing everyone a Happy Christmas and all the very best for the New Year

*Paula Beresford*

## Rudston's Recipes

### MALTESER CHEESECAKE

#### Ingredients

- 200g/7oz chocolate Hobnobs
- ½oz unsalted butter
- 400g/14oz full-fat cream cheese, at room temperature
- 250g/9oz mascarpone, at room temperature
- 75g/3oz icing sugar, sifted
- 1 tsp vanilla extract
- 100g/3½oz Maltesers

#### Method

- Put biscuits in a freezer bag and crush them with a rolling pin.
- Place crushed biscuits in a microwavable bowl along with the butter. Heat up in the microwave on full until chocolate and butter have melted a bit and the mixture becomes soft. I usually find it takes 2-2½ minutes but heat up in stages, so that the mixture doesn't get overheated. Alternatively melt 1-1½oz of butter in a saucepan and mix in the crushed biscuits. Press the mixture into the bottom of a 23cm/9in springform or loose-bottomed tin. Chill in the fridge while you make the topping.
- Combine the cream cheese and mascarpone in a large mixing bowl, either by hand or with an electric handheld mixer until light and fluffy. Add the icing sugar a little at a time and blend to incorporate. Finally, mix in the vanilla.
- Place the Maltesers in a freezer bag and crush lightly with a rolling pin, just to break them apart. Fold half into the cream cheese mixture until thoroughly combined.
- Spread the cream cheese mixture over the biscuit base and smooth the top. Cover with cling film and chill in the fridge for at least 4 hours (the longer, the better).
- When ready to serve, sprinkle the remaining Maltesers over the top of the cheesecake, then slice, serve and enjoy.

**Recipe from Paula Beresford – thank you!**

## Baileys Mocha Fudge Dessert

Serves 8

1 chocolate loaf cake  
11oz dark chocolate  
2 oz butter  
9oz Mascarpone (or cream cheese)  
4oz caster sugar  
2 tbsps instant coffee granules  
7 fl oz double cream  
3 tbsps Baileys liqueurs  
grated chocolate or cocoa or whatever to decorate

Slice the cake thickly and use to line the base of an 8" loose bottomed cake tin, which has been lined with non stick parchment

Melt chocolate and butter in a bowl over a pan of hot water, stir and set aside

Whisk the mascarpone, sugar, coffee, cream and Baileys until thick. Fold in the chocolate mixture until well blended. Spoon into the tin smooth, cover and chill for at least 4 – 5 hours

Decorate

As an alternative to an 8" round tin this amount will make 2 desserts in loaf tins - put the sponge cake on top of the mixtures so that it is on the base when turned out.

It is nice with some raspberries served on the side

Freezes well

## YORKSHIRE GIRLS ARE BEST

*Derek Holroyd*

Three men were sitting together bragging about how they had given their new wives duties to perform. Terry had married a girl from America, and bragged that he had told his wife to do all the dishes and clean the house. He said it took a couple of days, but on the third day he came home to a clean house and all the dishes were cleaned and put away.

James had married a girl from Australia and he bragged that he had given his new wife orders to do all the cleaning, dishes and the cooking. He told them the first day he didn't see any results, but the next day it was better and by the third day his house was clean, the dishes done and a huge meal on the table.

The third man said he had married a Yorkshire girl. He boasted that the duties he had ordered her to do were to keep the house cleaned, dishes washed, laundry washed, lawn mown and hot meals on the table every day. He said that on the first day he didn't see anything, the second day he didn't see anything, but by the third day most of the swelling had gone down and he could see a little bit out of his left eye. Enough to fix himself a bite to eat, load the dishwasher and call a landscaper.
