## Hello Everyone

Welcome to 2022, the newsletter team are looking forward to bringing you news of new events and activities over the next year. Turning to February in particular, Thorpe Hall is kindly opening their site for a Snowdrop and Aconite Walk on 26th and 27th February, raising money for the Church. What a wonderful way to raise money and treat ourselves to the first signs of Spring!

The Village Hall is asking for ideas to celebrate the Queen's Jubilee (ideas at the moment not volunteers!), so please pop down to the Village Hall on Thursday 17th at 7pm to share your ideas – all welcome. The Bosville Arms continues to offer unique events for the local community; Midweek Mens, Ladies Supper and Social and The Tuesday Luncheon Club, not forgetting of course the twice monthly quiz, which has proved extremely popular.

For anyone with New Year resolutions around getting/keeping fit, what could be better than a couple of hours Table Tennis at the Village Hall on a Friday night 7-9pm? All abilities welcome, or perhaps not quite as energetic but equally rewarding – ringing the Church

Bells on a Sunday?

Please read through the newsletter for further details of all the above.

Finally, the Newsletter Team used time off over Christmas to review the performance of the printer. We were very aware that December's bumper issue, was not printed to the standard that we would have liked, so Paula very kindly took the printer "under her wing" and with kind words (so I am told!) and lots of patience, has produced a much superior quality newsletter – I hope you will all be impressed and a big thanks to Paula for using her time off to fix it.

As always, new articles/topics of conversation are always welcome, and please don't forget Rudston's People's Corner....if you're new in the village and would like to introduce yourselves, have a special Birthday or Anniversary or just want to say thank you to a kindly neighbour, we would love to share your contribution.

Dear Friends,

In February there is a bit of a lull in the church calendar until we prepare for the next major festival, Easter (which comes quite late this year with Easter Day falling on 17th April). Running up to Easter is of course Lent which starts with Ash Wednesday (2nd March).

As in other years we will have a weekly Lent course for which I'll put details in the March newsletter but you can also give me a call if you're interested (it will be via Zoom again this Lent)

With every blessing,  
Glyn

## ALL SAINTS CHURCH, RUDSTON, SOCIAL COMMITTEE

We would like to thank The Bosville Arms for hosting the pre-Christmas Coffee morning in aid of Church Funds and to thank all those who came or supported the event in any way. It proved to be very enjoyable and successful raising £400 for Church funds--- our first fund raiser since February 2020.

We also served sherry and mince pies at the Carol service which also was well attended. Thanks to those who helped to decorate the Church in readiness for Christmas. A BIG THANK YOU to Charlie and Jane Richardson who donated the beautiful Christmas tree.

## RUDSTON VILLAGE HALL

We were very busy during December at the Village Hall.

**THE BADAPPLE THEATRE COMPANY:** A great evening of entertainment by the theatre company who performed their own original eco themed panto. Only 3 actors were performing all of the production from acting, sound, lighting using many techniques and effects, even snow!!

The event was well attended and enjoyed. It was lovely to hear the children laughing at the front but also the adults! Thank you to all who came and those who helped set it up. £181.90 was made on the evening for Village Hall funds.

### **LIGHT UP THE VILLAGE**

Thank you to all those who entered the light up the village decorated window/ house competition. A lot of effort had been put in by many in the village. They were lovely to see and some great ideas. Those who attended the event, went around the village armed with maps and torches and then voted on the best displays, returning to the village hall for mince pies, mulled wine and hot chocolate.

Congratulations to Fiona Turner and family for winning with their naughty elves window, and weren't they naughty!!

Thank you also to all committee members for setting up, manning the kitchen, serving mince pies and putting away.

### **BINGO NIGHTS**

We had 2 bingo nights, one in December and one in January. These events were well supported and generate good income for the Village Hall. We hope these can continue. Although the bad weather / Omicrom may have put people off in Jan, we did have visitors from Bempton and Norton! Word is certainly getting around. Thanks again for all who attend and helped on these evenings.

### **CHRISTMAS PARTY**

Big thank you to those who attended, the children and adults had lots of laughs whilst being entertained with games and magic tricks by Uncle Brian, followed by a visit from the big man himself, Father Christmas. The evening continued with a fantastic buffet and further games for those who attended. Thanks must go to ERYC Do it for East Yorkshire for funding the event, Michelle and all the wonderful volunteers who helped make it happen.

### **NEXT EVENT:**

**THURSDAY 3RD FEBRUARY- BINGO NIGHT. Eyes down 7PM**

# RUDSTON COMMUNITY PUB

## SHAREHOLDER UPDATE

### **Gallery Building Consultation**

The refurbishment of the gallery building on the Bosville Arms site is due to begin in 2022. To enable the sourcing of development grants, a community consultation is taking place during January and February.

Your thoughts and opinion on how you would like this building used are extremely important to the project. Details of how you can take part in the survey will be posted on the village notice boards and the Rudston Community Pub Ltd website. (<http://rudstoncommunitypub.co.uk/>). In the meantime, if you have any questions, please contact the committee via the options below.

### **Bosville Arms Garden**

Rudston Community Pub Ltd has received a grant for peripheral planting of the Bosville Arms garden area. The planting, consisting entirely of native species is the first step in making this area a summer destination to be enjoyed by both the local and wider community.

The planting will take place during February and March. If you have a free hour or two on a Saturday, please contact Debbie (07821888421). Dates are to be confirmed.

### **Community Events**

#### **Midweek Men**

Remember the evening will begin earlier than usual at 7pm, but if you want to pop in for a pint or two later, that's good too!

## PARISH COUNCIL

January's meeting was postponed as a safety precaution due to the high number of infections of Coronavirus.

## GREEN BAGS FOR BROWN BINS

The council have said there is a shortage of green bags for the brown bins and in January they were only allowing 1 roll of bags per household. As an alternative food can be wrapped in newspaper and put in the brown bin, or put in loose, or you can use the green bin in the short term. Michelle is keeping in contact with the council.

## ALL THE ELEMENTS OF A GOVERNMENT

A major research institution has announced the discovery of the heaviest element yet known to science, it has been named 'governmentium'. This new element has 1 neutron, 12 assistant neutrons, 75 deputy neutrons and 11 assistant deputy neutrons giving it a huge atomic mass. These particles are held together by forces called morons, which are surrounded by vast quantities of lepton-like particles known as peons.

Since governmentium has no electrons, it is inert. However, it can be detected, because it impedes every action with which it comes into contact. A minute amount of governmentium causes a reaction to take four days to complete, when it would normally take less than a second. Governmentium has a normal half-life of five years.

It does not decay, but instead undergoes a reorganisation in which a portion of the assistant neutrons change places. In fact, governmentium's mass will actually increase over time, since each reorganisation will cause more morons to become neutrons, forming isodopes.

This characteristic of 'moron promotion' leads scientists to believe that governmentium is formed whenever morons reach a certain quantity in concentration. This hypothetical quantity is referred to as 'critical morass' When catalysed with money governmentium becomes administratium, an element which radiates just as much energy as governmentium, since it has half as many Peons, but twice as many morons.

1. The balls below have been rearranged. Can you work out the new sequence of the balls from the clues given below?

The top three balls total 22.

The 5 ball is immediately to the right of the 6, and isn't in contact with the 4 ball.

The 10 ball touches four others, but not the 6.

2. Tiddles has fallen down a well 12 metres deep. He can jump 3 metres up, but slides back down 2 metres every time he lands. How many jumps gets Tiddles out of the well?

***From Martin, Sharon and the Bosville Team;***

It's been a very full on first year for us at the Bosville Arms but we are happy with the way the pub is evolving. Not the best year to open a brand new business in the hospitality industry maybe. Let's see what 2022 throws at us! We are getting great feedback consistently and we are always open to new ideas you might have.

Thank you to all who have visited. If you haven't visited yet please do try and call in, have a look around and say hello. Weekday afternoons are quiet if you are worried about crowds, we have great coffee and a selection of delicious cakes. Our staff will always have a chat and make you welcome.

We'll be changing the menu very soon again and are hoping to introduce a regular specials board that will change regularly, making the most of the local produce in season at the time. Keep an eye on our facebook page or pop in for specials and deals.

**Darts / Dominoes Players:** We are looking for darts players to meet weekly on an informal basis to start with but maybe joining local leagues if there's enough interest. You don't need to be Eric Bristow, it's just as much about getting out of the house. Our dominoes team meets on Sunday evenings and we'd love to have more players for 5's and 3's, just pop in.
