Editor's Letter

Hello Everyone

I hope everyone is looking forward to celebrating the Queen's Jubilee? There is so much happening in the Village over that weekend, starting with Bingo in the Village Hall on Thursday 2nd June, then on Friday a motorcycle show at the Bosville Arms, followed by sports on the Playing Field and then a hog roast and live music at the Bosville Arms. On Saturday the Bosville Arms are serving cocktails and cream teas and of course our "Grand Finale" is the Street Party on Sunday 5th June at the Village Hall.

Why not join up with neighbours and/or friends to share a picnic to celebrate the last day of the long weekend and the Jubilee? I am sure in

many years to come, people living in the village will look at the photographs and comment on what a wonderful time everyone had over the long weekend of 2022 and how we came together as a community to celebrate.

It has also been lovely to hear the Church bells, and thanks to the two wonderful volunteers who give everyone so much joy on a Sunday. They are still looking for volunteers (as there are three bells, they really need three people!!!), so if you're interested why not give it a try?

Church Bell Ringing

A big thank you to Michael and Mel for ringing the Church Bells. The Church still needs help if you are available to ring the Church Bells, another volunteer would mean all three bells could be rung, but another two or three would be even better. There is no obligation to attend the church services but you would be most welcome if you wish to come; ring the bells and join in the services.

Please contact John Rawlings on 07974 674 489

Village Bingo

Applications are invited from organisations within the Parish to benefit from the Village Bingo. If any organisation is interested, please contact Peter Crossley (01262 420 462) before 13th June.

Dear Friends,

As you read this the celebrations may well be in full swing for the Queen's Platinum Jubilee. There is plenty happening in Rudston and all the villages around; it will be a fabulous weekend.

On the Sunday we will of course celebrate the Jubilee, but that day is also Pentecost/Whitsun (a principal festival in the church; remember the Whit walks!) so we'll also celebrate that too. There will be plenty of rousing hymns so it will be a joyous service, I'm sure. I look forward to seeing you over the weekend.

Every blessing,

Glyn

RUDSTON NEWS AND EVENTS

RUDSTON VILLAGE HALL

On Saturday 23rd April we had the fish and chip van kindly supplied by Stuarts of Driffield. We had a good turnout of customers who either took them home or ate them in the Village Hall. We hope you all enjoyed the fish and chips and thank all those who supported the event. Thank you also to the village hall committee members who helped on the night.

Thursday 5th May we held our monthly bingo night. Another good night. If you have not been to one, they are on the first Thursday night every month, eyes down 7pm. We have 6 games of bingo and also have spot prizes in between games where Martin gives us a quiz question to answer. All in good fun, but they do make us use our brains!! We have a raffle and have refreshments for sale; tea/coffee/juice and lots of homemade cakes etc. which are all kindly donated. So, if you have not been come along and give it a go.

The next bingo night is Thursday 2nd June, 7pm as part of The Queens Jubilee celebrations. Everyone welcome.

The new youth club had a trial night on Tuesday 10th May. The Youth Club went really well, made better by the lovely weather giving the young people a choice of indoor and outdoor activities. The young people decorated biscuits, some drew pictures of The Queen for the Jubilee celebrations, played table tennis, football, dodgeball and generally had fun in the park.

The Youth Club meetings are currently scheduled to run on the second Tuesday of the month, with the next one on Tuesday 14th June 6.30pm -7.30pm, £2 per child. Thank you to Anne, Michael, Aiden and Vicky who all volunteered on the evening. We could do with a couple more volunteers if anyone is interested? For more information, please contact Fiona on 07762 901 193

ALL SAINTS CHURCH, RUDSTON, SOCIAL COMMITTEE

We would like to express our gratitude to Charlotte and Somerled Macdonald for allowing us to hold a Spring Walk at Thorpe Hall on the weekend of Saturday and Sunday May 7th and 8th. The grounds looked very different from the Snowdrop Walk as all the trees were coming into leaf adorned in different greens. Spring flowers were evident including Bluebells, Forget-me nots, Narcissi, Lilac, blossom and other wild flowers. Even the Cowslips on the hilly grass were making an appearance. The birdsong was amazing and the various vistas a joy, especially in the Spring sunshine. The walk continued from the gardens through the park where English Willows have been planted to be used eventually for cricket bats then on along the carriage drive to refreshments. All who came really enjoyed the Thorpe Hall experience. All who didn't come truly missed out. We were pleased to have made £480 for Church funds. Thank you to all the willing helpers and those of you who came to support us.

Our next event is an Organ recital on September 11th at 2.30pm in Rudston Church concluding with tea and cake. Tickets will be available nearer the event.

RUDSTON PLAYING FIELD

The 40th Annual General Meeting of the Playing Field will be held on Monday June 13th at 7.30pm in the pavilion. Reports from the clubs and the accounts for 2021/22 will be presented, the officials elected and Parish reps appointed. The committee needs your views on how you would like the playing field to develop and new members to help turn ideas into reality, so do please try to come to the meeting. The playing field is a valuable asset to the village and needs your support.

**Rudston Community
Pub Ltd**

This month we look at how the Rudston community realised its vision by re-opening the Bosville Arms as East Yorkshire's first community pub.

During 2019 and 2020, the community came together to renovate and refurbish the historic pub building. The developments were funded by a combination of grants such as the Plunkett Foundation, Lisset Wind Farm Community Fund, YOR4Good, and the 'Pub is the Hub'. A community share offer, resulting in 144 shareholders, brought in the remainder of the necessary funding. The grant from the 'Pub is the Hub' facilitated the building and furnishing of the coffee shop.

Through tireless work by community volunteers, the building and accommodation block was transformed from being almost derelict to the modern and welcoming place it is today. In January 2021 Martin and Sharon Hincks were appointed as tenants and, along with their team of local staff, are responsible for the day-to-day management of the pub.

Since late 2021 and into early 2022, as Covid restrictions slowly lifted, a program of community events organised by the Share Holders Events Sub-Committee and hosted by the Bosville have taken place. The events include the monthly Ladies Night, Midweek Men, and the Community Plant In, funded by the East Riding of Yorkshire Community Tree Planting Fund. Most recently, the Bubbly and Birthday Cake celebration was attended by over 140 people, funded by the Do It for East Yorkshire Community Grant.

We look forward to welcoming you to more community events during autumn and winter. In the meantime, we wish Sharon, Martin, and the team continued success.

Community Events Midweek Men

Calling all men, young and old. The second Wednesday of every month is your night at the Bosville. Drop in for a chat and enjoy a pint or two. Every other month you can enjoy a two-course supper for £8.50, all details are on Facebook and village notice boards.

Ladies Supper and Social

Look out for details for our Wednesday 29 June event on village notice boards, flyers, and Facebook. Please note, that the Ladies Supper and Social will take a summer break during July and August, returning in September.

RUDSTON PARISH COUNCIL

At our last meeting on 4th May, we discussed the village walkabout held with a representative from ERYC to highlight issues in the village that ERYC can assist with. During discussions, the ERYC representative commented that action on some issues would be dealt with quicker if they were reported directly to ERYC by members of the public. Particularly issues with street lighting, pot holes etc. This can be done on their website: www.eastriding.gov.uk or by calling 01482 393939

KIDS

According to today's regulators and bureaucrats, those of us who were kids in the 30's, 40's, 50's, 60's, 70's or early 80's, probably shouldn't have survived.

Our baby cribs were covered with bright coloured lead-based paint.

We had no childproof lids or locks on medicine bottles, doors or cabinets, and when we rode our bikes, we had no helmets.

Not to mention the risks we took hitchhiking.

As children, we would ride in cars with no seat belts or air bags.

Riding on the back of a pickup truck on a warm day was always a special treat.

We drank water from the garden hose and not from a bottle...horrors!

We ate cupcakes, bread and butter, and drank soda pop with sugar in it, but we were never overweight because we were always outside playing.

We would spend hours building our go-carts out of scraps and then rode down the hill, only to find out we forgot the brakes. After running into the bushes a few times, we learned to solve the problem.

We would leave home in the morning and play all day, as long as we were back when the street lights came on. No one was able to reach us all day. No mobile phones.

Unthinkable!

We did not have Playstations, Nintendo 64, X-Boxes, no video games, no 99 channels on cable, Netflix, surround sound, mobile phones, tablets or internet chat rooms.

We had friends! We went outside and found them.

We fell out of trees, got cut and broke bones and teeth, and there were no lawsuits from these accidents. They were accidents. No one was to blame but us.

Remember accidents?!

We had fights and punched each other and got black and blue and learned to get over it.

We made up games with sticks and tennis balls and, although we were told it would happen, we did not put out any eyes.

We rode bikes or walked to a friend's home and knocked on the door, or rang the bell, or just walked in and talked to them.

Our actions were our own. Consequences were expected. The idea of parents bailing us out if we broke the law was unheard of. They actually sided with the school or the law. Imagine that!

This generation has produced some of the best risk takers, problem solvers and inventors, ever.

We had freedom, failure, success, and responsibility.....and learned how to deal with it.

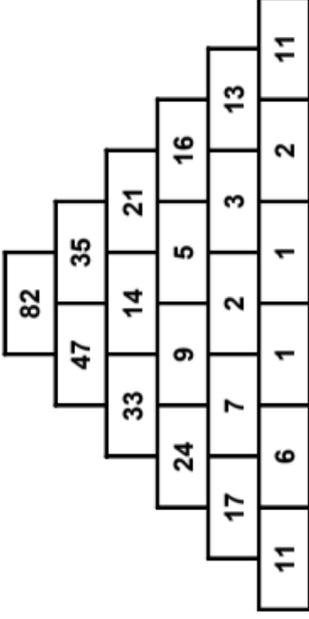

And you're one of them! Congratulations.

Please pass this on to others who were blessed to grow up as "kids before lawyers and government regulated our lives "for our own good"!!!!
