## Hello Everyone

Normally our newsletter focuses on events for the coming month, however given the momentous and historical event in September, we wanted to take a little of your time to pay tribute to Queen Elizabeth II. A lady who served her country with honour and unwavering dedication.

To hear the Church bells chiming on the day of her passing was the start of an historical and memorable 10 days, and I am sure many of us remembered with great fondness, our wonderful Jubilee celebrations, only a few months ago. I would like to thank Mike Silkstone and Ian Fletcher for their contributions to our tribute in this newsletter.

*"May flights of angels sing thee  
to thy rest"*

In October we have both the Harvest Festival at the Church on Friday 7<sup>th</sup> October and Harvest Show & Lunch at the Village Hall on Saturday 8<sup>th</sup> October. As a rural community, I am sure both events will be well supported and enjoyable.

The Bosville Arms is hosting the ever popular Mens and Ladies nights, and LiteBite lunches are featured every other Tuesday. At the end of October, the 29<sup>th</sup>, the Village Hall is holding a Halloween party with a bar, food and music, a great opportunity for everyone to meet.

Dear Friends,

I do hope you are settling after the momentous happenings of the last few weeks and the nation's period of mourning. A huge thank you to all at Church who have helped us cope with the sad loss of our beloved Queen. Having the Church open with its posters, condolence book (thanks Parish Council), candles, flowers, prayer service, organ music and bell ringers have all been a great comfort. The bell ringers did a full hour on day one of the national mourning: that is serious ringing!

We have a few new things happening through October that will help us to manage in these hard times, lift our spirits and even help us to grow. First, we are starting a new short, informal prayer service in Kilham every Tuesday morning (at 10.30am followed by coffee) and second, there will be a time to "Talk about faith' and the things that matter in life (described below).

Also, we will have our Harvest Festival service on Friday 7<sup>th</sup> October; always a fine service for a rural community (with some delicious pie too)!

Every blessing  
Glyn

## Church Services and Events for October (at Rudston unless stated otherwise):

2 <sup>nd</sup>	9.30am	Holy Communion

30 <sup>th</sup>	9.30am	All Saints Sunday: Holy Communion

We will also continue to have a 'Zoom' service every Sunday at 11am and every Wednesday at 10am. Please email/contact Glyn for the Zoom links.

**Talking About Faith:** Come and join us at The Old Star Inn, Kilham through October and November on Wednesday evenings (7-8 pm) for an informal talk and discussion on the things that matter in life. The topics will cover: how faith can help in life, managing loss and uncertainty, what is it to live a 'good' life and who is God to me? Chat, food and a warm welcome provided. 19<sup>th</sup> October, 2<sup>nd</sup> November, 16<sup>th</sup> November & 30<sup>th</sup> November. Please feel free to attend all evenings or choose which suits you best.

## **ALL SAINTS CHURCH, RUDSTON, SOCIAL COMMITTEE**

The Harvest Festival in Church is on Friday October 7th at 6.30 pm followed by a light supper of tea, fruit pie and cream in Church.

Everyone welcome, just turn up on the night to celebrate a harvest safely gathered in. There will be a collection and donation plate at the service (no tickets involved). We would like to see the Church full again for this.

The Organ recital proved to be a popular event and the body of the Church was full of people to enjoy this. It also served the purpose of a fitting Commemoration for our late Queen Elizabeth II and people were able to contemplate and reflect on her wonderful life as the organ was being played.

Anthony Burns-Cox played a suitable variety of music to show the organ off to its full potential and this experience was enjoyed by over 70 people. Tea and cake and social interaction were enjoyed by all after the recital. Thanks to all who came and all who donated to this special event.

The £606 raised for Church funds was an added bonus.

Work continues to improve both the pavilion and the field itself. The shower room has now been refurbished with the floor cleaned and the pink tiled walls covered with panels to match the ones on the other walls.

A costed plan is being drawn up for professional help to improve the grass on the whole field and work continues on the cricket square thanks to Stephen Ward and Mark Holtby.

## RUDSTON W.I.

Members enjoyed seeing slides and hearing about how Ernie Howard had taken the pictures and the different technology he used to vary them. They were part of his thousand pictures he had taken during Lock-down. Margaret Raven gave the vote of thanks and Shirley Sutton and Margaret Reed served supper.

Members were asked what their preference is for time and day for meeting during the Winter months. The majority opted to meet on the first Tuesday of the month at 7pm providing the village hall is available. Hopefully this will be more suitable for any potential new members.

The next meeting will be the AGM on Tuesday October 4th in Rudston Village Hall at 7pm. Members will be contacted if this is changed. It was decided to hold a committee meeting at Hazel Conner's house on Wednesday 28th September at 2pm.

Members of the W.I. nationally have been saddened by the death of Queen Elizabeth II who was our National Patron and also a member herself of the W.I.

New members and guests are always welcome at our meetings.

## Rudston's People's Corner

Our Village always looks clean and tidy, a pleasure to walk round and it's kept this way by a number of people who go out on a regular basis to do litter picking, so a big thank you to you all. You do make a difference.

*Many, many thanks to Mel, Michael, David and Annabel for tolling the Church bells for Her Majesty Queen Elizabeth's death and the Proclamation of King Charles III, and for the bell ringing they did before the majority of services at our Church. I would also like to welcome Val, who will be joining our team of 4.*

## TRIBUTES TO HER MAJESTY, QUEEN ELIZABETH II

### *In Memoriam*

As a child I remember the Queen's Coronation,  
Just the mere thought of this fills one with Elation.  
Our tiny Mining village draped in red, white and blue  
Flags, banners and pictures of her majesty too.  
When the great day arrived, a fancy dress parade.  
All through the village, a rare site we made.  
As Sir Walter Raleigh, I was elegant, smart.  
Cloak over shoulder, I did look the part...  
In the evening a concert given by the locals.  
Special penned recitations, solo's and vocals.  
Songs like "Come to the fair" and "Linden Lee".  
Free supper to follow, sandwich, biscuit and tea.  
Since the Queen's Coronation, the years have flown by,  
But such precious moments, they never will die.  
The Queen sadly is no more, the end of my song.  
Yet memories of her they will live on and on.

Mike Silkstone

## **Revelation 21: 1-8**

From all that we hear about Queen Elizabeth II this passage is one that she might have chosen herself for this sad occasion. For most of us it is almost like losing a family member. For her it is a journey of hope into Heaven. Elizabeth has been Queen for the whole of my life. Some of you will remember her Father and perhaps also her Grandfather, and of course most of us are aware of her Uncle and of why her Father and then she became our Sovereign.

I first saw the Queen when I as a young child when I was taken to some handwaving event in Bradford.

Later I was present when she opened the rebuilt Valley Parade Stadium in Bradford after the fire in 1985. Both she and all the Royal Family were involved in showing their deep concern to the victims and the injured from the fire. This was a feature of her personal commitment, and that of her family in times of distress and we have been reminded of her response to various tragedies over the years of her reign sometimes well reported but often under reported by the Press.

As a member of the General Synod of the Church of England I had the pleasure of seeing her in her role as Supreme Governor of the Church of England, a role that she took very seriously. I sat across from her and Prince Philip at the opening of the 2010 - 2015 General Synod and was present for her official speech to the Members of Synod as they prepared to take office. She was certainly not a token leader of the Church of England. She showed by her words of encouragement her deep faith and her love of God.

My vicar in Manningham was for a time a Queens Chaplain. He made an annual visit usually to Sandringham. He was never given an easy ride. Over lunch he had to explain his sermon. Sometimes as a preacher I can say that I am pleased when folk do not ask me to explain what I meant but I might wonder what folk heard. Both Prince Philip and the Queen listened intently to sermons and had a clear understanding of the Bible that was probably much better than my own.

Queen Elizabeth II will be much missed by the Church of England and by her people.

Revelation 21 shows a clear vision of a new creation. The Holy City of God comes down to us. We have a God who keeps his promises. God did not make the Earth and then clear off. God is making all things new. That includes today. Even as we mourn the death of our Queen, God is making all things new. That making new encompasses the hope that Queen Elizabeth often focussed on in her public addresses. Our hope is not in a place without death but is in a God whose presence erases death, erases pain and erases mourning.

As humans we cannot see what God is doing but we know that in the seasons of the year God constantly makes new around us. If we believe in Jesus, God gives us the water of life. We receive that water from him freely. God loves us all.

Amen

## WINTER WARMERS

We're getting to that time of year again when the nights are drawing in and we begin to look forward to drawing the curtains and lighting the fire. One of my favourite recipes for the colder months is Curried Parsnip Soup. Ideally I like to make a big batch of it so that I can freeze it in small portions and then take it out of the freezer as and when I fancy. The recipe can be found in this month's Rudston Recipes, however just remember if you give this recipe a go don't add the cream if you're going to freeze any of it. Personally, I never put cream in, it's lovely just as it is, especially on a cold day.

If you've got any favourite winter recipes that are easy to do and you're willing to share them, then please send them for future issues.
