Hello Everyone

As we find ourselves in the heart of winter, February brings with it a unique charm that defines our community. The spirit of Rudston's residents shines through the frosty days of February. Neighbours check in on each other, lending a hand with snow shovelling or simply sharing a warm cup of tea.

We have lots of events to look forward to in February - a Psychic evening at the Bosville Arms, the Snowdrop & Aconite Walk at Thorpe Hall and a Race night, again at the Bosville Arms. In addition, our regular events including Thursday Morning Tea & Coffee, monthly Bingo, WI and Youth Club. Keep an eye out for dates for Tuesday Lunch Club, Midweek Men and Ladies Night.

I wonder if our regular tradition of Red Roses being delivered to ladies in the village will continue on 14th February 2024 and who the mystery benefactor is?

Advertising and sponsorship are essential to ensure we can keep printing the newsletter and we appreciate everyone who supports us. We are looking for sponsors for March to June's newsletters - it's only £25 per month and in return you'll get your name on the front page as well as being able to choose where we take a photograph of in the village. We also have advertising space available.

Wishing you all a wonderful February!
Warm regards,

*Heather, Becky & Paula

Dear Friends,

The days are getting longer, the new year is well underway and things are changing in the church calendar too. After Christmas the next major festival is of course Easter and the period of preparation running up to it, Lent. Easter comes early this year and Easter Day falls on Sunday 31st March. An early Easter means that Ash Wednesday (the start of Lent) comes early too and is mid-February.

Throughout the centuries Christians have looked on Lent as a very special time for spiritual development (hence the fasting and giving stuff up!). We will have a gentle approach and weekly special events across our benefice, either during the day or in the evening.

February also brings the snowdrops and aconites. Huge thanks to Somerled and Charlotte for opening their home to us for the 'Snowdrop Walk', Thorpe Hall on Saturday 17th & Sunday 18th February. For any more details on that check out the Social Committee update in this newsletter or please contact June Sellers (01262) 420237.

With every blessing, Glyn

Church Services for February (at Rudston unless otherwise stated):

18 th	9.30am	Morning Prayer
25 th	11.00am	Kilham: Churches Together service with Homelessness theme and guest speaker

We will also continue to have a 'Zoom' service on the first and third Sundays of the month at 11am and weekly each Wednesday at 10am. Throughout Lent we will also have a weekly evening Zoom get-together thinking about Lent. Please contact Glyn for information/Zoom links: revglynowen@btinternet.com

Each Thursday morning from 10.30am, at All Saints, Kilham we will be thinking about Lent. This will be taking us through to Easter as well as being a time for discussion, reflection and prayer. There will also be soup and a roll to enjoy together afterwards. All are welcome to join in and reflect on the deep meaning of Lent.

Talking About Faith: First Wednesday of every month (7-9pm) Old Star Inn, Kilham. The evenings are very friendly and informal so come and join us for a chat, food and a warm welcome. For further information email: revalanleach@gmail.com.

RUDSTON NEWS AND EVENTS

RUDSTON VILLAGE HALL

Happy New Year to all our supporters! We had a very successful 2023 and hope to bring you all some more exciting events and fundraisers this year.

Why not start the New Year by joining one of the regular Village Hall events on the back page of the Newsletter? A great way to support a club/society, socialise and make new friends.

Thursday 7th December was the last bingo night of the year. Always a great night with regular supporters. Why not give it a go if you haven't been before? Cash prizes, quiz question spot prizes, raffle and refreshments. Thanks to all the committee who supply cakes and give their time, and to all who come to support the event.

Saturday 9th December was The Snowman Trail. A new event with 25 houses entering their Snowmen/Snow women. There were so many different ones using various different techniques - handmade, bought, painted, 3d, ones that moved, groups of them and even a snowman cake!! It was lovely walking round the village viewing everyone's creations. Christmas refreshments were also available in the Village Hall.

Thank you kindly to Somerled MacDonald for being our judge and who found it very hard to come to a decision. The winner was Anne Everett with her Snowman who sat on the seat on Middle Street and actually moved in the wind!! Congratulations Anne.

Thank you to all who took part and all supporters who came and joined in the event. Also, thank you to all the committee for setting it up/down, supplying food, drinks and for volunteering on the day.

2024 began with the Village Hall Bingo on Thursday 4th January. A good start to the year with good support making the event a success. Thanks to all involved as usual. The Village Hall AGM was held on Monday 22nd January. Any details to report from this will be in next month's newsletter.

If anyone has any other ideas, or would like to support us in any way, big or small, please make contact or come to an event and make yourself known.

ALL SAINTS CHURCH, RUDSTON, SOCIAL COMMITTEE

It was nice to see so many of you at the Carol Service and good to have a chat over sherry and mince pies - thanks for coming along. We also had good congregations on Christmas Day and New Year's Eve morning. A big thank you to all who helped to decorate the Church and to those who donated sherry and mince pies. A special thank you goes to Charlie and Jane Richardson for the lovely Christmas tree for all to enjoy.

At the time of writing our coffee morning is about to take place on 20th January. Our next big event is the Snowdrop and Aconite Walk, Thorpe Hall, Rudston, YO25 4JE on Saturday 17th and Sunday 18th February from 10am to last entry at 3.30pm. Admission is payable on the gate (cash please) - Adults £7 and Children £3, with under 5's free. There is a concession of £5 for Rudston residents and accompanying children free. Prices have been held as the same as last year. Light refreshments are available - please no dogs.

You are advised to wear walking boots or wellies. Self-guided with a map to follow - no need to pre-book. Ample parking in freely drained field. By kind invitation of Somerled and Charlotte Macdonald of Sleat. All proceeds to Rudston Church.

This has become a very popular event with visitors coming year after year from all over the county and new visitors marvelling at the pleasant surroundings and abundance of Snowdrops and Aconites. If you haven't been before, do come along and see for yourselves and bring friends & family along too.

Thank you for your support in the past and we look forward to it in the coming year. Happy New Year from Rudston Church Social Committee.

RUDSTON W.I.

Members enjoyed a Christmas lunch at the North Star at Flamborough in December. The competitions cup was presented to Clare Sutton for most points with Margaret Reed coming 2nd and Hazel Conner, Shirley Harland & June Sellers sharing third.

In January there was an open meeting when 21 members and guests enjoyed an afternoon playing "Dominoes with a Difference". Jenny Pickering was the winner with most points and Yvonne Watt with least points won the booby prize. Everyone then enjoyed a shared afternoon tea. Provisional programmes with dates and speakers for 2024 were given out. Members decided upon which National Resolution they wished to be debated in June at the National Annual meeting.

The next meeting is on Tuesday 6th February at 2pm in Rudston Village Hall when Janet Brannan will tell us about growing up as a child in Coventry after WW1. Competition - an old family photograph. Vote of thanks - Margaret Reed and Hostess - Clare Sutton.

The meeting in March is on Tuesday 5th at 2pm in Rudston Village Hall when we expect the owner of "Bunny Bakers" in Beverley will tell us about her business and give a demonstration of icing a cup cake. Guests are always welcome at a cost of £3 on the day which includes tea/coffee and biscuits. We hold a one prize raffle at £1 a go. The meetings are always over by 3.45pm at the latest. The following article was written by John Harland, son of Shirley and the late Bob Harland of Rudston.

It appeared in the winter edition of The Spokesman which is the magazine for the Bygone Bykes (Yorkshire) Club.

South Riding was Winifred's last book and has been televised several times.

The South Riding? ride - 9th July 2023.

Five members of the club met at Kilham church for a 22 mile ride themed around Winifred Holtby, author of South Riding, who was born in nearby Rudston. She sadly died at the age of 37, in 1935, and is buried in the churchyard.

Setting off at 11:00 hours the day was overcast but pleasantly warm as we headed out on country lanes to Rudston, Burton Fleming, Wold Newton and our lunch stop at Hunmanby. We sat in the Market Place, near the war memorial, and enjoyed a picnic lunch. At this point the sun came out and stayed with us for the rest of the ride.

After a walk up a short but steep hill we made our way to Argham and back to Rudston. I had arranged to visit Rudston House, birth place of Winifred Holtby, which is owned by Simon and Angela Dawson to hopefully take a couple of pictures of the bicycles outside the house. We were made so welcome and Angela had laid out books, written by Winifred, along with some photographs and gave us a really interesting talk about the author's early life in the village. We were then invited to wander through the gardens with our hosts showing us various points of interest and finally onto decking, overlooking the landscape that Winifred would have seen from her bedroom window, where we were plied with cold lemonade and biscuits. What a fantastic surprise for all of us this part of the ride was.

Having said our goodbyes we went up to the church to view Winifred's grave, Roman artefacts, the Grade I listed church and of course the 25 feet high Neolithic monolith, believed to be the largest single standing stone in the UK.

A short ride of 3 miles took us back to our start point at Kilham for around 16:30 hours. A nice gentle ride with lovely weather, no mechanical problems, great company and the hospitality given by Simon and Angela what more could you ask for?

Runners and riders were:

Andrew Hawkswell	1886 Peugeot 52" Ordinary
Tony Huntington	1890 Rover safety
John Harland	1905 Dursley Pedersen (Club machine)
Elsie Huntington	1910 Rover 'Royal'
Paul Sellars	1930s BSA Club

John Harland.

The South Riding? Ride. A visit to Rudston house, the birthplace of Winifred Holtby.

RUDSTON YOUTH CLUB

The Youth Club kicked off the new year with a vibrant gathering, bringing together enthusiastic youngsters who were keen to reconnect after a hectic Christmas break.

The Youth Club provides a much-needed space for the children to reconnect with their friends and discuss the adventures of the Christmas season.

While some children engaged in creative craft activities, the majority of them were thrilled to let off some steam with football and dodge ball, always fun trying to hit the volunteers with the ball.

The Youth Club is gearing up for an exciting series of events over the coming months. We are in the process of arranging a visit by the Fire Service, focusing on educating the children about fire safety & they may even bring the fire engine for the children to look around.

Our February meeting is scheduled for Tuesday 13th February, at the Village Hall, starting from 6.30pm to 8.00pm.

Letter to the Newsletter Team

During November last year, the Newsletter Team received a letter from Joy Fleetham who lives in Bridlington and who has been a member of Rudston Church Choir for 20 years. Unfortunately we'd just printed the newsletters the day before and therefore couldn't include this article in the December/January edition:-.

Joy had felt moved enough to write to the Newsletter Team to let us know that the Remembrance service held at Rudston Cenotaph, and attended by 23 people, was lovely. She went on to write that during the wars, many animals played an important part in helping the armed forces, be that carrying equipment and supplies as well as carrying messages back from the front to headquarters.

Joy had noted that when all the wreaths were laid around the Cenotaph in London, there was no recognition for all these animals, however at our service in Rudston a lady did lay a wreath in acknowledgement of the part that they played. Joy wanted to pass on her thanks to this person, whoever she was.

There are different coloured poppies used to commemorate remembrance, red being the colour we know most as a symbol of both Remembrance and hope for a peaceful future. It is worn as a show of support for the Armed Forces community. But some of us may not know that a purple poppy is worn to honour animals, such as the horses, mules, donkeys, dogs and pigeons who were also victims of war.

RUDSTON DURING WORLD WAR II

During WWII the Bridlington area was important in the defence effort. The open beaches and flat landing made the area vulnerable to German invasion from sea and air. British Troops were posted here and the area around Rudston base for training tank regiments. There are many structures and features across the landscape which show just how big a part it played.

Evidence of air attacks are visible in the bomb crater in the field near the Burton Fleming Road and the Church. The damage caused to the Church is as a result of bombs which were believed to have been aimed at Thorpe Hall (then Divisional HQ). The water reservoir supplied the troops that were stationed in Rudston. Perhaps the most intriguing landmark is the virtually unknown Out Station, again near Burton Fleming Road. These were hidden bunkers used by the Auxiliary Units to relay intelligence to Army HQ's and as a base to perform special operations.

The previous information was taken from the Heritage Centre in All Saints Church, Rudston. For more information about these and other significant sites, please pop into the Church.

Like other areas of the UK, Rudston was affected by the evacuation of children and vulnerable individuals from cities and towns threatened by bombing raids. Many children from cities like Hull and London were sent to live with host families in villages like Rudston to keep them safe from air raids. One of my relatives, Margaret Drewery, was evacuated with her mother to Rudston from Hull. Margaret's mother helped at the local school and then moved into number 5 Nightingale Row when it was first built.

The Riding's largely remote location and rural economy made it favourable for the holding of enemy prisoners of war. There were camps at Welton, Goole, Bishop Burton, Rudston and West Cowick. The first POWs held in Britain were German pilots, aircrew and naval personnel however these were only small in number. The first major influx of enemy prisoners occurred in July 1941 when Italians captured in the Middle East arrived on British shores.

The PoW Camp in Rudston is believed to have consisted of two Nissen huts connected by a brick work passageway and structure with evidence of a previous hut also being connected via a brick structure. In addition, there is a single isolated Nissen Hut at 90° to the other structures. This arrangement of the brick and Nissen Huts is a classic small accommodation unit as used by the British Military in WWII. An identical structure is to be found at PoW Camp 1007 Site.

Rudston's Recipes

CREAM OF VEGETABLE SOUP

Ingredients

- Butter - about 1 oz
- 2 medium sized onions, peeled and chopped
- 4 large carrots, peeled, trimmed and thickly sliced
- 4 sticks of celery, wiped and sliced
- 6 florets of cauliflower
- 1 courgette wiped, trimmed and thickly sliced - don't peel
- Chicken stock cube
- 1½ oz butter
- ¾ pint milk - the milk & butter should be cold from the fridge
- 1 oz plain flour
- Salt & pepper to taste

Method

- Melt the butter in a pan, add the onions and cook gently until soft but not browned
- Add the other vegetables, shake the pan, cover and cook gently for a few minutes
- Add about 1½ pints of boiling water with the stock cube dissolved
- Cover the pan, bring to the boil, then reduce the heat and simmer gently until the vegetables are soft
- Put the milk, butter and flour in a pan over a gentle heat, mix with a balloon or wire whisk. Once the butter has melted increase the heat a little and stir with a wooden spoon until the mixture is thickened
- Allow the vegetables in stock and the thickened milk to cool a little
- Mix the vegetables in stock with the thickened milk and blend (I find a stick blender is good for this). Don't over blend, allow the soup to keep a bit of texture
- Season with salt & pepper, you should not need much salt

TIPS:

Use whatever vegetables you have; this is a good soup to use up oddments!
I have tried using fresh stock but it seems to work better with a stock cube, I like Knorr.
