## Hello Everyone

As we welcome the winds of change that March brings, we're reminded of the promise of new beginnings and the gradual transition from the chill of winter to the warmth of spring. In this edition of our magazine, we hope you enjoy reading all the village news and details of events being held in March. One activity that everyone can participate in is going to see the beautiful flower arrangements in the Church. There are a number of Church Services being held to celebrate Easter, however you are welcome to pop in anytime between 10am-4pm to view the flower arrangements.

The Village Hall and Bosville Arms are both holding a number of events in March, including options to celebrate Mother's Day, a Table Top Sale at the Village Hall, and a number of different events at the Bosville to celebrate National Pig Day, International Women and Red Nose Day.

We are looking for sponsors for the May and June editions of the newsletter. If you would like to sponsor one of these months, the cost is £25. Please drop us an email or have a chat with any of the newsletter team if you're interested.

I hope you enjoy all the events scheduled in March and the Easter Activities.

Warm regards,

***Heather, Becky & Paula

Dear friends,

“Today is the first day of the rest of your life”; an expression used so often it has become a cliché. But it is a statement that captures a deep truth of Easter and the hope it brings for new life. Holy Week and Easter are the most important time in the Church calendar; the time we tell of and re-enact the events around Jesus's death and resurrection. Part of that story includes broken-hearted women who find the tomb empty, and the stone rolled away - Jesus appears! The Apostles huddled frightened behind locked doors, and all of a sudden, the risen Lord Jesus appeared among them! Countless people have since discovered that following Jesus gives hope; and even when it looks bleak, there is light in the darkness and an understanding of the deeper reality of our world; God is in it with us.

Overleaf are the services for Holy week and Easter where all are welcome to experience the Easter Story and celebrate the new life Jesus offers to each of us.

With every Easter blessing,  
Glyn

## ALL SAINTS CHURCH, RUDSTON, SOCIAL COMMITTEE

At the time of writing, we have just finished clearing up after yet another successful Snowdrop and Aconite Walk in the beautiful grounds of Thorpe Hall. In total there were 218 visitors who enjoyed the milder weather whilst following the trail to see the abundance of Snowdrops and Aconites with the odd primrose in flower and daffodil buds becoming apparent. The birds certainly think it is Spring and the pheasants happily wandered around knowing the shooting season is over.

We are very grateful to Somerled and Charlotte Macdonald who hosted the event and enabled it to be a very important fund raiser for Church. We would like to thank the 25 people who helped at this event without whom it would be impossible. People came from all over the county plus the North and West Riding. Many make it an annual visit and others are first timers. They enjoy the tea and cake too. We were blessed with good weather which was to our advantage and raised about £2,000 for the Church. Thank you for your support whether you came as a visitor, helper or gave a donation.

We have not yet planned any other social and fund-raising events for the year. Hopefully you will come to visit Church or to a service during Eastertide when it will be decorated for Easter.

Thank you for your continuing support.

## Rudston's People's Corner

The other day a couple of girls knocked on my door with an unusual request - did I have a polythene bag so they could clean up after their dog as their friend with the bags Had disappeared.

Just compare this with the dog walker who frequently bags up the poo and then just throws the bag onto the verge or hedgerow!!

As I don't know the girls, I'm unable to give them the public credit they deserve, and (probably fortunately), I don't know the others who I would like to name and shame for not being bothered to take their rubbish home. They discredit responsible dog owners of all ages.

WELL, DONE THE YOUNGSTERS

## RUDSTON W.I.

At the February meeting Janet Brannan from Boynton talked about her personal experience of growing up in Coventry after WW2. She showed us pictures before and after the bombing of the lovely city of Coventry. Many parts of old Coventry were flattened during the war and so a huge building project had to be carried out to create a modern Coventry as it had lost so many historical streets and buildings. Janet is very proud of her home city where her family have lived for over 200 years.

Results of the competition of an old family photograph are as follows; 1st June Sellers, 2nd Hazel Conner, 3rd Shirley Harland. Members decided to go out for coffee or lunch to various cafes in the surrounding area on the 3<sup>rd</sup> Tuesday of each month. In February, 7 members went for lunch at The Beach Hut in Bridlington and on March 19<sup>th</sup> the plan is to go to the Spa Cafe at Bridlington for coffee.

The next meeting is on Tuesday 5<sup>th</sup> March at 2pm in Rudston Village Hall when Saskia, who runs Little Bunny Bakers at Beverley, will tell us about her business and the baking classes she runs for 3-13 year olds and workshops for adults. She will do a short demonstration too. The competition is a "baking mould or tin". Hostess is Wendy Proctor and Shirley Sutton is due to give the vote of thanks. Visitors are always welcome at a charge of £3 which includes tea/coffee and a sweet treat.

## RUDSTON YOUTH CLUB

What better way to celebrate Shrove Tuesday than with a pancake extravaganza? The children eagerly divided into groups, meticulously measuring ingredients in preparation for the cooking session. The serving hatch was adorned with an impressive array of toppings, ranging from sweet treats to sauces, whipped cream, and fruit.

But the fun didn't stop there! After enjoying their pancake creations, the children engaged in a lively toss-the-pancake competition, adding an extra layer of excitement to the evening. And true to form, they also graciously assisted in tidying up afterwards - always a welcome bonus!

We'd like to extend a heartfelt thank you to all our new volunteers who enthusiastically embraced the pancake challenge and helped make the evening fun.

As we look ahead, I want to draw your attention to the upcoming Spring Duck Race on Monday 1<sup>st</sup> April at 3pm which is generating considerable buzz in the village. Please show your support in any way you can - whether it's by attending, volunteering, or spreading the word. Let's make this event a huge success together!

Our March meeting is scheduled for Tuesday 12<sup>th</sup> March at the Village Hall starting from 6.30pm to 8pm.

### MISSING SIGNS

▪ If anyone knows anything about the whereabouts of the POLICE SLOW signs that were placed on the roadside on the approaches to the Snowdrop Walk entrance for road safety reasons, please could they be returned to the place they were taken from? They disappeared on Sunday morning.

▪ The Police are very obliging and loan them free of charge in order to avoid any road accidents during the weekend which is part of the risk assessment necessary for such events.

▪ Thank you.

## **RUDSTON HISTORY**

Our history section has now ended. We hope you enjoyed finding out more about the Village and its history. So now, it's over to you! Please send in your memories so we can share them and keep the history of Rudston alive.

Here's a memory we received recently from Mrs Deborah Roberts now living near Cambridge:-

Many years ago, as a primary school child I came with my school (from Acomb, near York) to see the Rudston Roman Villa. At that time, around 1958 I can clearly bring to memory walking down the farmer's field, paying my sixpence and walking into the shed he'd constructed over the villa and its wonderful mosaic floors and looking down (they were roped off) seeing beautiful things in front of me. I have adored anything historical ever since.

It really was wonderful to see them where they really belonged, in situ.

I was for many years a district councillor and as such I often worked with officers from other authorities such as the County Council. On one occasion I got into discussion with an officer of Cambridge County Council Conservation Team, who was big into Roman history and remains. When I told him of my long-remembered trip to the villa intact, he went out of the room, returning with a copy of the original book which includes a detailed study. This was before the second lots of buildings were uncovered. He kindly gave it to me to keep.

I searched out the book I was given. It's 180 pages long in very small print and includes photos of the site and shed and the mosaics plus tons of very detailed info and was written by a gentleman called I.M Stead who worked on the site, seemingly in the later stages and on newly discovered buildings around 1962.

I understand the land was originally owned by Henry Robson of Breeze Farm, Rudston who turned the paving up whilst ploughing his field in 1933. It was Mr. Robson who built the shed (and who no doubt took my sixpence!).

Villagers and local worthies formed an "Excavation Committee" under the care of Sheffield University. Later digs were under a gentleman tenant called Tony Proctor who along with a Mr. Dawson and the East Riding County Council, was given permission for the further excavation.

Mr Robson eventually very kindly gave all the floors etc to the Hull Museum. They also discovered and excavated a very large and very deep well.

Are there any Robsons or Proctors still living in the village? Is there still a Breeze Farm?

2033 would make it its 100-year anniversary - with a wonderful plan of what the site actually contained which seemingly was one of the largest Roman villas in the North of England. That and the tallest standing stone makes Rudston pretty unique.

## Rudston's Recipes

### SPRING VEGETABLE RISOTTO

#### Ingredients

- 1 cup Arborio rice
- 4 cups vegetable broth
- 1 cup green peas (fresh or frozen)
- 1 cup asparagus, trimmed and cut into bite-sized pieces
- ½ cup chopped leeks or spring onions
- 2 cloves garlic, minced
- ¼ cup dry white wine (optional)
- ¼ cup grated Parmesan cheese
- 2 tablespoons unsalted butter
- Salt and pepper to taste
- Fresh chopped parsley for garnish

#### Method

- In a medium saucepan, heat the vegetable broth over low heat until warm.
- In a separate large skillet or pot, melt 1 tablespoon of butter over medium heat. Add the chopped leeks or spring onions and garlic, and sauté until softened, about 3-4 minutes.
- Add the Arborio rice to the skillet and stir to coat the grains with butter. Cook for 1-2 minutes until the rice is lightly toasted.
- If using, pour in the white wine and cook until it's absorbed by the rice.
- Begin adding the warm vegetable broth to the rice mixture, one ladleful at a time, stirring frequently and allowing the rice to absorb the liquid before adding more. Continue this process until the rice is creamy and tender, about 18-20 minutes.
- Meanwhile, blanch the green peas and asparagus in boiling water for 2-3 minutes, then drain and set aside.
- Once the rice is cooked, stir in the blanched peas, asparagus, grated Parmesan cheese and remaining tablespoon of butter. Season with salt and pepper to taste.
- Serve the risotto hot, garnished with fresh chopped parsley.

## Rudston's Recipes (continued)

### LEMON HERB ROASTED CHICKEN WITH SPRING VEGETABLES

#### Ingredients

- 1 whole chicken (about 3-4 pounds)
- 2 tablespoons olive oil
- 2 cloves garlic, minced
- Zest and juice of 1 lemon
- 1 tbsp chopped fresh rosemary
- 1 tbsp chopped fresh thyme
- Salt and pepper to taste
- 1lb baby potatoes, halved
- 1 bunch baby carrots, peeled and trimmed
- 1 bunch asparagus, trimmed

#### Method

- Preheat the oven to 400°F (200°C).
- In a small bowl, mix together the olive oil, minced garlic, lemon zest, lemon juice, chopped rosemary, chopped thyme, salt, and pepper to create a marinade.
- Place the whole chicken in a roasting pan or baking dish. Rub the marinade all over the chicken, ensuring it's evenly coated.
- Arrange the halved baby potatoes, baby carrots, and asparagus around the chicken in the roasting pan.
- Roast the chicken and vegetables in the preheated oven for about 1 hour to 1 hour 15 minutes, or until the chicken is golden brown and cooked through (the internal temperature should reach 165°F or 75°C).
- Once done, remove the chicken from the oven and let it rest for 10-15 minutes before carving.
- Serve the lemon herb roasted chicken with the roasted spring vegetables on the side.

## Monthly Gardening Calendar – March Jobs

### 1. Prepare the Soil:

- Begin preparing your garden beds by loosening the soil and adding compost or other organic matter to enrich it.
- Test the soil pH and amend it if necessary to ensure optimal growing conditions for your plants.

### 2. Planting:

- Start planting cool-season vegetables and herbs such as lettuce, spinach, kale, peas, carrots, radishes, and onions.
- Plant perennial flowers, shrubs, and trees. March is often a good time for planting as the soil is beginning to warm up.

### 3. Pruning:

- Prune fruit trees and dormant shrubs before they begin to bud.
- Cut back any dead or damaged branches from trees, shrubs, and perennial plants.

### 4. Weeding:

- Begin weeding early in the season to prevent weed growth from getting out of control.
- Remove any weeds that have emerged to prevent them from competing with your desired plants for nutrients and water.

### 5. Mulching:

- Apply a layer of mulch around trees, shrubs, and garden beds to help conserve moisture, suppress weed growth, and regulate soil temperature.

### 6. Start Seeds Indoors:

- If you haven't already started seeds indoors for warm-season crops like tomatoes, peppers, and eggplants, now is a good time to do so.

### 7. Monitor for Pests and Diseases:

- Keep an eye out for signs of pests and diseases on your plants and take appropriate action to control them.
- Consider using organic pest control methods to minimize the impact on beneficial insects and wildlife.

### 8. Watering:

- Water newly planted seeds and transplants regularly, as they may need extra moisture to establish themselves.
- Be mindful of watering established plants, especially if your area is experiencing dry or windy conditions.

### 9. Plan and Design:

- Use this time to plan and design your garden layout for the upcoming season, considering factors such as sunlight exposure, plant spacing, and companion planting.
