Hello Everyone

June is the gateway to summer – a time when gardens sing and the countryside bursts into bloom. 🌸 Here in Rudston, that seasonal energy seems to be reflected in the sheer number of activities, gatherings and events bringing us together as a community.

Our calendar is full of life, laughter and local spirit. It's particularly heartening to see so many generations getting involved - whether it's our young people at Youth Club, the faithful faces at WI or the many volunteers who help behind the scenes at church, sports and social events.

This month we also celebrate **Whitsun (Pentecost)** - a time traditionally linked with new beginnings, joy and the spirit of community. In years past, Whit walks were a staple of village life. While the walks may be fewer, the spirit is alive and well in the many ways we come together.

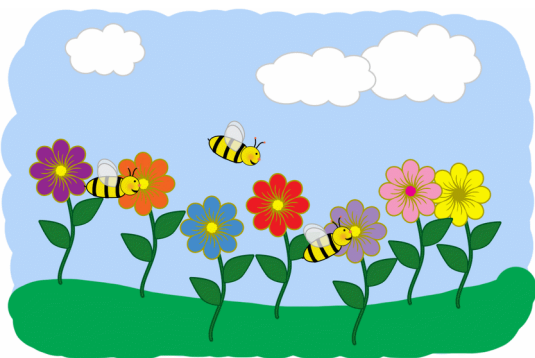

We'd also like to thank **Hazel Conner** who recently moved on from village roles, whose years of quiet dedication to Rudston Church, WI and Village Hall will long be remembered (and whose baking will be missed even more!) and say a big hello to **Lesley Culpan** and her cat Bruce who are newcomers in the village, we are looking forward to welcoming you at one of our many village events!

And finally, in the spirit of giving and reusing, we'd love to hear from anyone involved in local recycling or collection schemes. Whether it's saving stamps, donating towels, or re-homing old books, small actions add up - and we'd like to help spread the word.

Here's to a vibrant, connected June for all in Rudston - see you out and about!

Warm regards,

Heather, Becky & Paula

Dear Friends

We had a late Easter which means we have a late Whitsun/Pentecost (coming 50 days after Easter; named after the Greek word for fiftieth). Recent years has seen Whitsun become a more of a 'church' event than a wider community celebration: remember the Whit walks!

As a child I used to love getting my new clothes at Whitsun and being part of the local walks around the streets of Manchester (ask nicely and I'll let you see the photographs!). The day after, Whit Monday, was always a bank holiday but the new-fangled spring bank holiday replaced that.

Pentecost is still a big deal in the church calendar. We dress up in red, the colour of joy and fire (and Manchester United!). The red reminds us of the day Jesus sent the Holy Spirit to his disciples and transformed their lives; in a way the start of the church as we know it.

Have a very blessed Whitsun
Glyn

RUDSTON NEWS AND EVENTS

RUDSTON VILLAGE HALL

We have had a busy time lately at the Village Hall. Our monthly bingo night was a success on 1st May. It was good to see many there and Martin our resident bingo caller back in charge. The money raised at our bingo nights helps towards the bills keeping the hall running for everyone to use. Thank you to all who help, bake and organise.

Our next bingo night is **Thursday 5th June**

Saturday 26th April - Stuarts Fish and Chip van came outside the Village Hall and inside the Hall, duo Milestone entertained us all with their singing, including many requested songs making for a thoroughly entertaining evening. Stuarts were very busy serving and lots of people ate inside while others took theirs home. Thank you to everyone who came and supported making it a success.

Saturday 10th May - VE DAY 80 Celebration.

Flags, bunting, fancy dress, afternoon teas, dancing and drinks made a fun and entertaining afternoon celebrating the VE Day 80.

Dorothy Drewery came and taught us dancing of that era and beyond. It was great fun and a lovely atmosphere in the Hall - lovely to see families coming along and some new faces to our event.

Thank you to all who came, those who helped organise, Martin and Fiona on the bar and a special thank you to Dorothy Drewery for giving up her time to teach us.

ALL SAINTS CHURCH, RUDSTON, SOCIAL COMMITTEE

The Social Committee will really miss Hazel Conner who has moved to Driffield. Hazel has been a member of the committee since she came to live in Rudston about 30 years ago and continually helped at the numerous events we organised over those years. Her baking was exceptional.

Hazel also helped with flower arranging at Church and was responsible for decorating the entrance porch. She was on the cleaning rota and insisted on keeping the door brass knob shiny 😊. Hazel was also on the coffee rota and in the choir. She certainly leaves a void where all Church activities are concerned. Hopefully she will return sometimes to sing in the choir.

A great big **Thank you** to Hazel

for your dedication to our Church whilst living in Rudston.

If anyone would like to volunteer to be on our rotas your help would be greatly appreciated, please contact June Sellers 01262 420 237 (Social Secretary to Rudston Church).

Let's Share and Support Local Recycling Efforts

Do you know of a recycling or re-use scheme that others in the village might want to support?

From saving used stamps for charity, to collecting old towels for local vets, to donating unwanted items to nearby charity shops - there are plenty of small actions we can all take that make a big difference. But often, people simply don't know what's needed or where to take it.

We'd love to include details in the newsletter highlighting local recycling and re-use opportunities. If you're involved in, or aware of, any collection schemes, however big or small, please let us know the details.

It's a great way to support good causes, reduce waste and strengthen our sense of community.

Please get in touch with any suggestions - we're keen to spread the word!

RUDSTON PARISH COUNCIL

Rudston Parish Council held its annual meetings on Wednesday 14th May, and we're pleased to share that two members of the public attended the Annual Parish Meeting. We'd like to extend our sincere thanks to both attendees - your interest and support are greatly appreciated.

At our March Parish Council meeting, we welcomed a member of the public who attended to learn more about the Precept, a topic that had been raised within the community. In response, we've included some information below to help explain what the Precept is and how it works.

UNDERSTANDING THE PARISH COUNCIL PRECEPT

A quick guide to what it is, how it's calculated, and how it benefits your community.

What is the Parish Council Precept?

The Precept is the Parish Council's share of your Council Tax. It provides funding for the Parish Council to carry out its work and deliver services in your local area.

How is it calculated?

Each year, the Parish Council:

1. Reviews the services, projects, and upkeep it plans to deliver.
2. Works out how much this will cost.
3. Subtracts any income it expects (from grants, donations, etc.).
4. The remaining amount is what it asks the District Council to collect through the Council Tax - this is the Precept.

This total is shared between local households, based on their Council Tax band.

What is it used for?

The Precept helps fund a range of local services and improvements, such as:

- Maintaining play areas, open spaces, memorials.
- Providing noticeboards, signs and defibrillators.
- Supporting community events, local groups and village initiatives.
- Commenting on planning applications.
- Speaking up for the community on local issues.

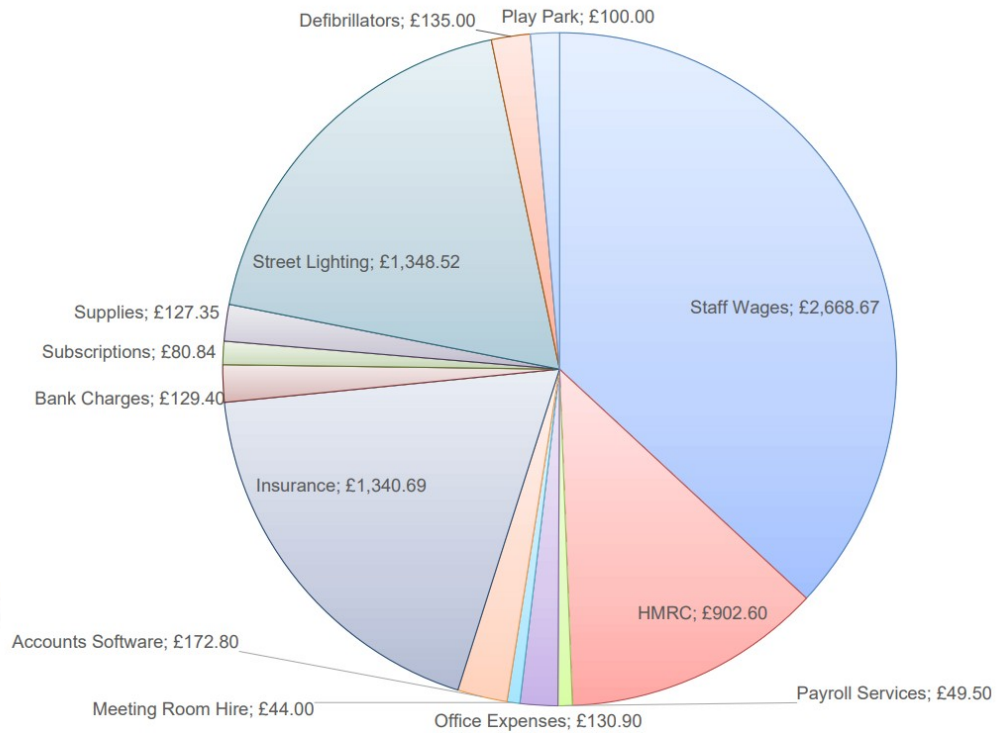

Why does it matter?

Your Precept helps keep the community a great place to live. It enables the Parish Council to respond to local needs, maintain public spaces and invest in village life.

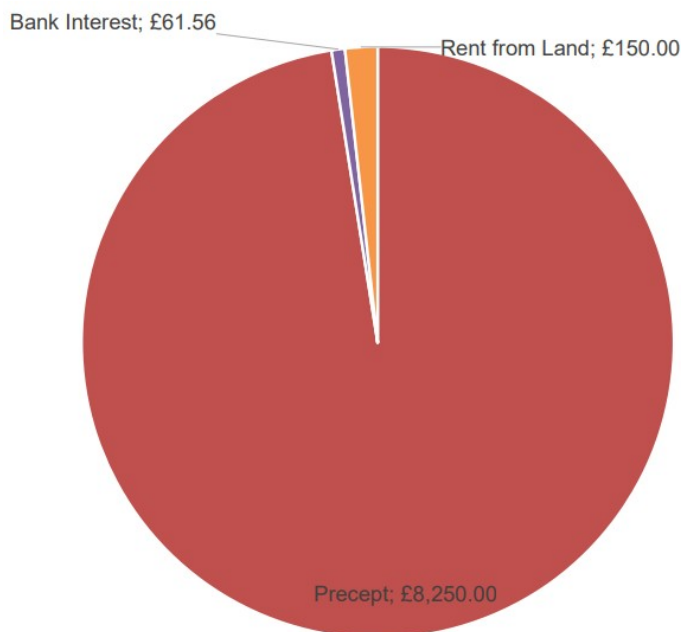

Opposite is a breakdown of how the Precept was spent in the 2024/2025 Financial Year.

PAYMENTS

- Staff Wages
- Accounts Software
- Street Lighting
- HMRC
- Insurance
- Defibrillators
- Payroll Services
- Bank Charges
- Play Park

The Bosville Arms is more than just a pub – it's a place where neighbours meet, friendships grow, and everyone's welcome. Come along and support your local!

RUDSTON YOUTH CLUB

What a fantastic month it's been at Rudston Youth Club! May brought a wave of excitement, and plenty of splashing, as the children took to the water for our raft building and racing activity on the Gypsy Race.

Laughter, cheers, and a bit of friendly competition filled the air as teams worked together to construct their rafts and race them downstream. There was lots of noise, plenty of soaking, and smiles all round. The paddle board even made a star appearance, with children queuing up eagerly to have a go, the ducks looked eager to join in too!

Now the evenings are lighter it gives us chance to do even more activities and with the generous funds raised at the Duck Race we are busy planning for the summer.

We're also thrilled to see the club continuing to thrive. Our numbers remain steady at around 25 children each month, a good number for our brilliant team of volunteers, who make every session safe and fun.

We will be holding our AGM on Tuesday 1st July, from 7pm-8pm at the Village Hall. It's a great opportunity to hear about what we've achieved, share ideas and share ideas for the future. All parents, carers, and anyone who wants to get involved are warmly welcome.

Our next meeting is June 10th at 6.30pm-8pm at the Village Hall.

Rudston's People's Corner

A warm welcome to Lesley Culpan and her cat, Bruce, who have recently moved to Long Street.

We hope you both enjoy life in our village and look forward to seeing you at one of our many community events.

RUDSTON PLAYING FIELD

The AGM will be held on Friday 27th June at 7pm in the pavilion with a short committee meeting to follow. All residents of the parish are welcome. Please try to come and let us have your views.

We are so lucky to have such a great sports facility in our village. We are also looking for new people to come on the committee. We only meet a couple of times a year so it is not a big commitment.

A Mischief of Rats

3rd May to 30th August
across Hull and East Yorkshire

2025 really is the Year of the Rat in Hull and East Yorkshire (apologies to the Chinese Horoscope) as a unique parade of 45 beautiful, artist decorated giant Rat sculptures creates a Pied Piper ripple of excitement across the area!

The story behind A Mischief of Rats is a very special one and has a poignant link to the work of our chosen charity, Daisy Appeal, a charity which provides life-saving technology to support people living with cancer, heart disease and dementia.

Inspiration comes from Hull band, The Rats, who were prominent on the local music scene and beyond in the late 60s and early 70s. Lead guitarist Mick Ronson, bassist Trevor Bolder and drummer Woody Woodmansey went on to form David Bowie's 'Spiders from Mars'.

Sadly both Mick and Trevor died of cancer, and so it is fitting that a charity focusing on the early diagnosis of cancers, heart disease and dementia should benefit from this project.

Rat Designs

We invited artists to respond to a number of themes when considering the designs to submit.

- Mick Ronson, The Rats and the Hull and East Yorkshire music scene
- Health and medical science
- Rats in literature, films and TV
- Rats, ships and the sea
- Rats made beautiful!

Our designer and sculptor have both worked hard to create a rat that we think is cute and full of character, whilst retaining its essential rattiness. It has certainly provided an unusual canvas for our artists to work their magic on!

We are immensely proud of our Mischief of Rats and we hope that you enjoy them all! So get started today by downloading our FIND A RAT! smart phone App. Available from the App store and Google Play or use this link:-

CHEDDAR & RED ONION TARTLETS

Ingredients

- 320g/11½oz ready-rolled shortcrust pastry sheet
- 1 free-range egg
- 150ml/5fl oz double cream
- 100g/3½oz mature cheddar, grated
- 1 small red onion, thinly sliced
- Salt and freshly ground black pepper

Method

- Preheat the oven to 200°C/180°C Fan/Gas 6.
- Open the pastry sheet and stamp out six rounds with a 10-11cm/4-4¼in cutter (keep the trimmings for use in another recipe).
- Use the pastry rounds to line a six-hole muffin tin (it will ripple along the sides) and prick the bases with a fork. Crumple up six squares of baking paper and use to line the tart cases. Fill with baking beans or dried rice and bake for 8 minutes. Remove the paper and beans, then bake for a further 5 minutes until the pastry is set.
- Meanwhile, beat the egg and cream together in a jug and season with salt and pepper. Layer the cheese and red onion into the cases then carefully pour in the egg mixture.
- Bake for 20-25 minutes until the filling is golden and set. Leave to cool in the tin for 5 minutes before carefully lifting out.

Recipe Tips

These tartlets can be made with any type of onion, including shallots and spring onions.

Any trimmings can be re-rolled, cut into small shapes and baked to make savoury crackers.

Try scattering with grated cheese, a sprinkle of cayenne pepper or paprika or some seeds, such as sesame, poppy or nigella before baking.

CHICKEN CAESAR PASTA SALAD

Ingredients

4 chicken thighs, skinless and boneless
500ml/18fl oz hot chicken stock
320g/11oz farfalle
2 handfuls plain croûtons
1 Little Gem lettuce, finely shredded
Small handful Parmesan shavings
Sea salt and freshly ground black pepper

For the Caesar dressing

4 anchovy fillets in oil, drained
3 tbsp light mayonnaise
2 tbsp extra virgin olive oil
2 tsp red wine vinegar
¼ lemon, juice only

Method

- Put the chicken and the hot stock into a saucepan and bring to the boil over a high heat. Reduce the heat to low and simmer for 10–15 minutes, until just cooked through. Using a slotted spoon, remove the chicken from the pan and set aside to cool.
- Add the pasta bows to the pan along with a generous pinch of sea salt. Top up with boiling water if necessary and cook the pasta according to the packet instructions. Drain the pasta and rinse under the cold tap. Set aside to drain.
- To make the Caesar dressing, put all the ingredients except for the lemon juice in a mini chopper or food processor, season generously with salt and pepper and blitz until smooth. Add the lemon juice to taste.
- Roughly chop the chicken and stir into the pasta along with the dressing, croûtons, shredded lettuce and most of the Parmesan, until the pasta is well coated. Season with more black pepper to taste.
- Divide the pasta salad between four bowls and garnish with the reserved Parmesan shavings.

GARDENING

Flower Garden

Deadhead bedding plants and perennials to encourage more blooms.

Cut back spring-flowering perennials if they've finished.

Support tall or floppy plants (like delphiniums or peonies) with stakes or frames.

Sow biennials such as foxgloves, wallflowers, and sweet Williams for next year.

Plant out summer bedding if not already done.

Trim evergreen hedges like box and privet.

Fruit & Vegetable Garden

Earth up potatoes to protect from light and boost yield.

Keep sowing salad crops every 2 weeks (lettuce, radish, beetroot).

Pinch outside shoots on cordon tomatoes to promote fruiting.

Protect strawberries from birds using netting; harvest as they ripen.

Thin out apples and pears to improve fruit size and quality.

Sow winter veg like kale, leeks, and sprouting broccoli.

Keep an eye out for pests like aphids, caterpillars, and carrot fly.

General Garden Maintenance

Water regularly, especially containers and newly planted items.

Mulch borders to retain moisture during dry spells.

Feed plants with a general-purpose or tomato feed (especially fruiting/flowering plants).

Mow the lawn weekly, but avoid cutting it too short in dry weather.

Weed frequently to prevent competition for water and nutrients.

Clean out greenhouses and ventilate daily to prevent overheating.
