Editor's Letter

Dear Readers

As the clocks go back and the last of the autumn leaves fall, Rudston feels especially cosy and connected.

November invites us to pause and reflect - to remember those who served and those we have loved and lost, and to look ahead with warmth to the festive season just around the corner.

This month's issue is full of reminders of what makes our village so special; the dedication of volunteers who keep our hall, church and clubs thriving, the laughter of children at the Youth Club and the gathering of friends over coffee mornings, bingo nights and community events at the Bosville. Each story

speaks of the heart and spirit that holds Rudston together.

As we mark Remembrance Sunday, we honour those who gave so much so that our village - and villages like ours - could live in peace. And as Advent approaches, may it bring light, hope and togetherness to us all.

Thank you, as always, to everyone who contributes to this newsletter, organises events and supports local causes. Your efforts truly make Rudston shine, even on the darkest November days.

Warm wishes,

Heather, Becky & Paula

Dear Friends

November is an eventful month in the church year. It brings strong themes of remembering and belonging, also Advent pops its head up at the end of the month: get those calendars ready!

November 2nd is All Saints Sunday (a little bit special for us being an All Saints Church). On that day traditionally we remember and celebrate all those great men and women, past and present, in whose lives we've seen the grace of God powerfully at work and who have inspired us.

This year All Saints Sunday falls also on All Soul's Day (also known as Commemoration of the Faithful Departed). This invites us to remember those close to us who we love but no longer see. We'll include a special act of remembrance as part of the service that day. We'll pray for those who have died and light candles to give us comfort as we remember them. You are very welcome to join me and do the same but if you can't make it but would like me to pray and light a candle for someone, please put their name on a list that will be at the back of church.

Remembrance Sunday continues in the theme, and we also confront issues of war and peace, loss and sacrifice. As in past years we will have an act of remembrance at the war memorial at 11am (gathering around 10.50am). The Bosville will be open beforehand, serving breakfast baps for those who'd like to meet there prior to the service.

With every blessing,
Glyn

First and foremost, we would like to thank all the committee members for their hard work, commitment and dedication to the hall. Every single one of you has helped out at events over the year. Thank you to each of you, without you there would not be a village hall for all to enjoy and use.

We feel very proud to have such a wonderful hall and we have had some incredible events, activities and achievements. Here are some of the highlights from the AGM:

- Regular groups keep going but we lost the toddlers early on in 2024. Outside bookings continue.
- Trialled additional activity on a Thursday Coffee morning eg The Body Shop, Christmas Cards sales for Kings Mill, information sessions i.e. benefits advice and started a library.
- We became members of the ERVHN and installed Wi-Fi and the hearing loop.

Events held this year include:

Gosschalks talking about Wills, Laser Event, Halloween Lantern Evening, Christmas craft fair, Table Top Sale, Mother's Day cream tea, Duck Race (in partnership with the Youth Club), Gardeners Fair & Decorated Garden Competition and Fish & Chip night.

The coffee shop continues to thrive on a Thursday morning and Bingo is a great success.

We also had a £50 grant from the ERVHN towards one of our bingo sessions which was held in half term to encourage young people to join.

Maintenance and improvements have been:

- Earth rod at side of building was reconnected
- Gutters cleaned and full internal spring clean

RUDSTON PARISH COUNCIL

Parish Council Vacancies

Join Our Local Team - Become a Parish Councillor

Are you passionate about our community and keen to make a real difference? Rudston Parish Council is looking for enthusiastic, committed people of all ages and backgrounds to join the team. If this sounds like you, we'd love you to put yourself forward for co-option.

Rudston Parish Council has 11 councillor positions, and with several vacancies now available, we have the opportunity to welcome new voices and fresh ideas. As no election has been called, East Riding of Yorkshire Council has given permission for us to fill these vacancies by co-option.

What does co-option mean? It's a simple process where local residents put their names forward, and at a Parish Council meeting the current councillors decide who to co-opt. The powers of a co-opted councillor are exactly the same as those of an elected councillor.

How to apply If you are interested? Please contact the Clerk or any current Parish Councillor to express your interest. A short supporting note with some background about yourself, and why you'd like to be considered, would also be helpful. Having a current Parish Councillor prepared to propose your application would be a great benefit.

All expressions of interest will be shared with the Council and added to the agenda for the next meeting, where councillors will make their decision following a discussion with shortlisted candidates.

Want to know more? For more information about the role of a Parish Councillor, you can contact East Riding of Yorkshire Council (01482 393939 - Electoral Services), the Clerk or any Parish Councillor (details on the Parish Council website). Email: rudstonclerk@gmail.com Website: <https://rudstonparishcouncil.eastriding.gov.uk>

Parish Council dates for 2025. All to be held at Rudston Village Hall
at 7.30 pm unless otherwise indicated.

Wednesday 12th November

Agendas and Minutes can be viewed on Rudston Parish Council website:

RUDSTON YOUTH CLUB

Halloween was the theme for this month's activities, and the young people really embraced the spooky spirit with some incredible **pumpkin carving!** The carefully crafted designs were proudly displayed outside the Village Hall - we hope you managed to see them. Well done to everyone who took part!

During the half-term break, we were lucky enough to organise an exciting **trip to a roller disco in Bridlington.** It was a fantastic time, with everyone showing off their best moves while whizzing around on four wheels!

Trips like these are only possible thanks to our **fundraising efforts.** Our next event will be at the **Kilham Bonfire on the 8th of November,** where we'll be running a stall selling hot dogs - always a crowd favourite! Please do come along, enjoy the evening and support the club if you're visiting with friends and family.

Finally, a reminder that our **next youth club meeting** will be on **Tuesday 11th November** at the **Village Hall from 6:30-8:00pm.**

We're sorry we couldn't attend the Village Hall AGM, but we wanted to send a huge thank you to the Village Hall Committee and to everyone who volunteers.

Your hard work in putting on so many events truly brings the Village together, and it's very much appreciated!

Wildlife Tips for November

1. Feed the birds early

Natural food is scarce now, so put out seed, suet and fresh water. A morning feed helps small birds keep warm through chilly nights.

2. Look out for winter thrushes

Redwings and fieldfares are here in good numbers now, stripping berries from hawthorn and holly.

3. Keep a leaf pile

Fallen leaves shelter insects, frogs and hibernating hedgehogs. Pile some in a quiet garden corner rather than bagging them all up.

4. Help hedgehogs before hibernation

If you see one out in the day looking underweight, contact a local rescue. Healthy adults should weigh at least 600g before winter sleep.

5. Don't tidy ivy just yet

Ivy flowers and berries are vital food for late-flying insects and many winter birds.

6. Watch for starling murmurations

On still evenings, look for swirling clouds of starlings heading to roost – sometimes large flocks gather along the Yorkshire coast.

7. Check bonfire piles before lighting

Hedgehogs, frogs and toads often crawl in for shelter. Rebuild the stack right before lighting to keep them safe.
