# Editor's Letter

Dear Everyone,

Well doesn't our village look an absolute picture, with all the daffodils waving gently in the Spring breeze. The cows and their calves will be out in the fields soon, to complete the idyllic setting. Speaking of which, yesterday, a cow and a bull came briefly into the field behind our house. They wandered around together, inspecting the perimeter of the field, enjoying the sunshine. I don't know why they had such a short visit.....perhaps for a spot of "moo time" away from the calves.

Now for "moan time". What a pity that some people endeavour to spoil the village. I am referring to the dog excrement, which appears with alarming regularity, on our footpaths. I know that Chris is trying to work with someone from the East Riding Council, to produce posters, which hopefully will deter people from these anti social acts. Sadly nothing as yet is forthcoming, even though action was promised last December. Perhaps the "Director of Dog Dirt at East Riding Council" needs to be contacted. The second moan is the parking on Eastgate. It is difficult for all residents during the time that the roofs are being fixed, as the amount of extra vehicles parked on the road is unusually large. However it would help if those who have drives, used them, thus alleviating the situation somewhat.

There are lots of events to attend, as can be seen from the articles sent by that wonderful band of volunteers in our village. This month, we were treated to a "Dialect Evening" in the Village Hall, organised by Teresa. The speaker, Adam Collier was very entertaining and we learnt a great deal about the East Riding dialect and more; all told with some really amusing anecdotes.

We are extremely lucky to live in such a wonderful calm village, when we think of all the dreadful atrocities which are occurring in parts of the world. As we celebrate Easter and new birth, our thoughts and prayers are with those who have lost dear ones in the latest acts of terror .

An Easter word from John Walker,  
Reader at All Saints, Rudston

Jesus has been given many titles or labels. Some “labels” describe our Lord's work, others tell us about his nature. At Christmas, Isaiah calls the coming Messiah “The Prince of Peace”. At Ascension tide, St Paul says Jesus is “leading captivity captive”. The Good Friday title given to Jesus is especially fitting “The Suffering Servant”, St John refers to Jesus as “The Lamb of God”, the symbol of sacrifice, this reminds us immediately of Christ's sacrifice of himself for us on the Cross.

Other titles are particularly appropriate. One by an unknown Roman centurion; the other from Pilate the Roman governor. The centurion, having watched Jesus' crucifixion, was greatly moved by our Lord's death.

Continued on page 4

From page 3

He commented “Truly, this man was the Son of God” a striking commendation on the nobility of Christ that shone through all the agony and pain of His torturous death.

Pilate's inscription, nailed on the cross above our Lord's head, read, “Jesus of Nazareth King of the Jews”. Despite Pilate’s motives he displayed a great truth “Jesus is the King of the Jews”. Since the days of Pilate many great people have arisen, but no - one has influenced our world as Jesus has done. The label we have to remember is “Jesus Loves Us” He loves us so much that he sacrificed his life for us, so that we can go sinless before the Father. This joyous Eastertide take this label of Jesus’ love with you for the rest of your life.

John

## Parish Council Special Notice

It has come to the notice of the Parish Council that inconsiderate parking of motor vehicles is taking place in Eastgate. Please be aware that buses and refuse vehicles may need to pass, and there is always the possibility of an ambulance or other emergency vehicle. Care should also be taken not to obstruct other driveways.

Another issue is the practice of reversing from the cul-de-sac section of Eastgate. If that is really unavoidable then please take extra care when attempting the manoeuvre.

It was also learned that someone, thought to be local, had been driving over the wide grass verge near the war memorial, not only churning up grass but daffodils too. Possibly related to that was another report of motor vehicles on bridleways. Needless to say, in both cases – don't do it!

Police have been made aware of all the above.

It is with sadness, that I announce the passing away of Rudston's Old Soldier, who was 96.

He has been a regular contributor to our news letter, talking about the time in the war when he was stationed in Rudston. He also wrote about the D Day anniversary events which he attended in France. He was a remarkable man and we offer condolences to his family. Sue

On 1st March, the WI meeting was attended by 17 members, at Rudston Village Hall. Melissa Raven welcomed everyone and introduced the speaker, Fred Walkington,

accompanied by his wife Carol, who gave us a talk on 'The history and knitting of Ganseys'

This very interesting talk was themed on the part the Gansey sweater played in the lives of local fishermen which was shown in some wonderful slides followed by Carol demonstrating the knitting.

Our competition was themed on a hand knitted item. First prize was won by Margaret Reed, 2nd Barbara Moorfoot and 3rd Gloria Traves, the raffle was won by Ann Harrison. Congratulations to you all.

At the meeting we discussed items from the WI newsletter. Our next luncheon club will be at the Bull and Sun on 15th March.

If you are interested in joining, or would like to come along as a visitor you will be made welcome.

Our next meeting is on Tuesday 5th April at 7pm.

On behalf of everyone here at Kilham CE Primary School I would like to wish everyone a happy Easter. We have had a busy term here at school, especially on the sporting front.

## Champions!

Our football team wrote themselves into Kilham Primary School history on Saturday 19th March, qualifying for the Small School National Football Championships following victory in the Under 11's Midlands Football Championships held in Nottingham. The boys and their families travelled all the way to Nottingham in cars and on a coach (kindly sponsored by BW Industries of Carnaby, Bridlington and parents) for a thrilling day of football during which the team remained unbeaten and booked themselves a place at the National Championships on May 22nd at Leicester City's stadium!

We do intend to book another coach to enable the team and their families to travel to Leicester for the tournament. (Any potential sponsors or ideas for fund-raising gratefully received!) Well done to the boys – they are now among the top 8 small school's football teams in the country!

Thank you also to the families and staff who gave up their Saturday to support the team.

Continued on page 9

From page 8

A large number of Kilham school children took part in hockey and tag-rugby competitions this term also. We were taking part in both these tournaments because the teams had been successful in the previous rounds of the competition so both the hockey and tag-rugby teams had to play against tougher opposition. The hockey team travelled to York to play schools from all over Yorkshire and the tag-rugby team went to Beverley to play against sides from across the East Riding. Although we didn't win either tournament, the children can be very proud of getting so far and being so successful. Well done!

Some of our classes have been out and about on trips this term: Class 2 have enjoyed a visit to Flamingo Land, Class 4 have been to Beverley Minster for an 'RE.action' day and Class 3 spent the day at the Yorkshire Museum in York learning about the stone age and iron age. All the visits went very well, with the positive conduct of our children being commented on several times!

Other activities included our annual Easter Fair, organised by our PTFA which took place on Wednesday 23rd March and our Easter Service in All Saints' Church, Kilham on Thursday 24th.

On Friday 18th March we had a 'fun-run' for Sport Relief which raised over £200 and were joined by Dave Aspery, one of our

S England

parents, on his bike as he is going to be completing a 45mile 'Moors and Shores' cycle ride, starting in Dalby Forest, on Sunday 3rd April. The link to Dave's 'Just Giving' page is <https://www.justgiving.com/Dave-Aspery>..... Good luck Dave!!

## ALL SAINTS CHURCH SOCIAL COMMITTEE

Thank you everyone who came to the Spring Lunch at Low Caythorpe. 66 guests enjoyed lunch at 2 sittings provided by the ladies of the committee. Thank you to them and all the helpers and also to those who donated raffle prizes. £840 was raised for Church Funds.

Our next event is a Bridge day on 27th April in the Village Hall organised by Wendy Proctor. We will be serving players a hot main course and sweet at £15 per head. There will also be a raffle.

Thanks again for your support.

# Crosslands Column

“Any Other Business”. Those familiar with meetings of any sort have long been used to that, or simply the initials A.O.B. as usually next to last item on an agenda. However, we have been advised that it must now be discontinued in parish councils. So for the first time it was missing at the 23<sup>rd</sup> March meeting. No doubt it will continue to play a part in other organisations, but the reason for parish councils is that no decision could be taken on an item raised under that heading. We have been aware of that of course, but inevitably the point was stretched on occasion.

Other changes, together with the march of time, have convinced me that my time as clerk to the parish council is nearing an end. There will be a separate notice about that in this issue.

The Queen as we know has two birthdays, and a commemorative medal has been produced in time for her actual 90<sup>th</sup>. on 21<sup>st</sup> April. A minimum order of 50 was too much for the parish council, but it is also being offered to schools, so those with children may see them. Meanwhile though, they sent me a sample. I hold this for the moment and would be willing to show it off to any other village groups. Please let me know if interested.

Then for the Queen’s official birthday in June, North Wolds Lions are generously offering a sum of £200 to local parish councils to be spent on something to mark the occasion. Nothing was identified at the March meeting but we do have until the end of May to claim that one. It will therefore be considered again then, but if anyone has any bright ideas please speak to a parish council member.

Also, if any other village organisation is thinking of doing something, it may be of interest that the usual rules over the use of the royal coat of arms is being temporarily relaxed. Other firms will be offering memorabilia, but the one advertising to parish councils is Insignia. Website: [www.insigniacom.uk](http://www.insigniacom.uk)

Continued on page 14

From page 13

Last year the parish council had a receipt for recycling of £156.55 for summer period July to September. Unfortunately, we have now received the same again for October to December. E.R.Y.C. have credited the identical amount in error. The only collection in those months was the final one for paper, which should have amounted to £12.98. Quite a difference. They will now deduct future credits from that difference. When it happened once before it was “paid off” next time – this could take rather longer!

Local organisations and voluntary groups are being invited to apply for a Connecting Communities Grant if planning some new activity for the over 50s. There is a computer application form running to 15 pages (!), but further information can be obtained by phone: 01482 39226, or e-mail: [connecttosupport@eastriding.gov.uk](mailto:connecttosupport@eastriding.gov.uk)

Humber & Wolds Council are introducing a Healthy Homes project. The aim of this one is to offer practical help to any residents with a health condition affected by living in a cold home. A poster with more information should be in place when this is read, but their phone number is: 01652 637700 or website: [www.hwrcc.org.uk](http://www.hwrcc.org.uk)

## **Parish Clerk Vacancy**

After nearly 24 years of service to Rudston Parish Council, Phillip Crossland is retiring as Parish Clerk at the end of June. As a result, Rudston Parish Council are looking for a new Clerk, with the possibility of a joint appointment with Burton Agnes Parish Council, who are also looking for a new Clerk. Currently, the Clerk to Rudston Parish Council is employed for 4 hours per week at a rate of £7.20 per hour, plus necessary expenses. The Clerk to Burton Agnes Parish Council is currently employed for approximately 5 hours per month.

If anyone is interested in the position, in the first instance, please contact Neil Watson, Chairman of Rudston Parish Council, for further details: [neiljw51@gmail.com](mailto:neiljw51@gmail.com) or 420848.
