## Editor's Letter

Dear Everyone,

Welcome to Michelle and Kim who have moved into "Two Hoots" and any other newcomers to our village. You will find that as well as living in a beautiful friendly village, there are lots of activities in which one can partake. The village hall pub continues to thrive, the last one, although fewer people attended, was a huge success, with everyone having a really good time.

The next one is a quiz and curry evening, which hopefully will be another resounding success.

Our next play "My Brilliant Divorce" is on April 6th and many of you are really looking forward to a return of the Library Theatre with this award winning play.

There is lots to look forward to in May, as we see a return of the Reform Theatre on May 11th, with their comedy play, "Two 2" See page 11, for more details.

On May 18th there is another Afternoon Tea at the Village Hall; an event which always proves to be popular.

I know that many of you enjoy doing the "word search" every month, so will be sorry to hear that it will be absent from our May Newsletter. Shirley Harland, who not only compiles the word search, proof reads each edition and is treasurer of the newsletter, is having surgery on her hand, but hopefully will be back, performing all those jobs very soon. It is amazing how many volunteers we have in our village and we need to appreciate the work which goes on. So a big thank you also to the all the people who deliver this said newsletter, every month.

Whatever is going on ....delivery...or not of Brexit etc delivery of the newsletters still happens. Village life continues to be sustainable, thanks to all our volunteers and helpers.

Welcome also, to the return of water in the Gipsy Race; it adds to the beauty of our village, as it meanders merrily along.

I hope you all have a very Happy Easter and to all those young people who are revising for important exams, good luck...it will be worth it in the end, although it does seem endless at the moment!

Dear Friends,

I went on a Good Friday walk of witness a few years ago. While we handed out hot cross buns to slightly bemused passers-by, we sang songs, led by a band from the local free church. These were songs of resurrection, of rejoicing, of the redemptive power of the resurrected Christ. The wooden cross, being carried at the front of the procession seemed rather lonely and out of place.

Do we sometimes race over the reflection of Holy Week and the pain of Good Friday, in order to reach the joy of Easter Day? And by doing this, do we deny the pain? Are we really staying with the faith?

There are many church-run foodbanks, like so many others not church-run, which stay with people through their pain. The volunteers help and hold people through their hunger, pain and difficulties. The churches, where the foodbanks are based, have gained in membership, with volunteers and foodbank clients coming to learn more about our faith, a faith that stays with people through their pain, and allows people to catch the infectious hope that there is Christ.

I pray that we will all deepen our confidence in Christ, as we journey through the last part of Lent and Holy Week to the pain of the cross and the glory of the Resurrection. May it allow us to stay with the suffering of the world with irrepressible hope, and may it inspire our imaginations so we share in a thousand different ways the good news of Jesus, risen and alive.

Happy Easter

Love & blessings,      Revd Barbara

My mother, Peggy Byas, passed away, peacefully at "White Cottage", East Gate on Tuesday 12th March. May I say a big thank you to all "RUSTONIANS" who made her last few months so enjoyable.

## All Saints Church Social Committee

We had a successful and enjoyable Spring Lunch at Low Caythorpe on March 15th when 51 guests attended over 2 sittings. Many thanks to all the helpers and those who provided food and raffle prizes £861 was raised for Church funds.

Our next event is a Bridge Day on Wednesday 24th April in the Village Hall .

We are planning a Flower Festival in Church for potentially the Week-end 9th , 10th 11th 12th August which will be our major fund raiser for this year. It will have an " Our Village" Theme when we hope to represent the Clubs Organisations and Businesses of our Village with floral designs. We will be contacting these in the coming months and do not want to miss anyone out. This is still in the early planning stages and hope for your support.

We hope you will visit Church during the Easter period when Church will be decorated appropriately.

As a committee we wish Glyn a speedy recovery .  
June Sellers (Social Secretary to Rudston P.C.C.)

At the April meeting on Tuesday 2nd at 7p.m. in the village hall we will welcome Dr Janet Thornton who is going to tell us about the whisky company where she has spent much of her career. Hostesses are Kathleen Thornton and Gloria Traves. The vote of thanks is due to be given by Shirley Sutton and the competition is " An interesting bottle". Visitors and new members welcome. The May meeting is on Tuesday 7th when Helen Jackson will show us how to create a flower posy so please bring some scissors.

For more information contact June Sellers 01262 420237

On Thursday 28<sup>th</sup> March the Rudston Heritage History Group had their last talk of the present season from Mr Rick Hudson who spoke on "Rudston on the Map". Rick started by telling us that famous Rudston resident Winifred Holtby loved maps, and he then showed us maps and map making through time. Old maps were often drawn by monks and would centre on Jerusalem. Bridlington was often shown with a large circular bay. The Latin name for Bridlington translates as "Bay of Safety"

Maps were often round, but this cannot be used to support the theory that people thought the world was flat. Often maps had East or the Orient at the top, and from this we have the expression "orienteeing" meaning to get your bearings.

Before 1500 maps showed Flamborough as a more important port than Bridlington. Lord Burleigh's 1560 map showed Rudston; Morden's 1690 map had "Ruston" John Ogilby made a series of strip maps, as guides for the routes from one place to another. The maps were collected together in a book and a copy of the "Britannia" was presented to Charles II in 1675.

Warburton's map of 1720 shows Rudston and Thorpe. By 1787 maps were becoming more accurate as triangulation was used and in 1791 the Ordnance Survey was set up.

A map of the Manor of Bridlington before enclosure was shown, and an 1844 map of the Grindale enclosure. Rick said that sadly he had not been able to find an enclosure map of Rudston, but hoped that at some point in the future one would be discovered.

A map was shown indicating the route of the proposed railway at Rudston! An 1850 map of the village showed that the main road crossed the Gypsy Race by a ford and footbridge.

Rick told us about O.S. map scales and showed pictures of the attractive covers of maps.

Now maps are available online, we are able to look at Google earth, and use sat nav (although it should not be followed without thought!) Your mobile phone will give you access to google maps and someone else can pinpoint where you are. Maps have come a long way!

This was the last talk of the session and I am sure everyone would like to say a big thank you to Mr John Walker, the speakers, and to Mrs Val Walker, Mrs Ann Hudson and Mrs Margaret Jury for manning the desk and doing the refreshments.

The Autumn session will start on September 26th and will follow the pattern of being the 4th Thursday of the month. As before we have some excellent speakers, including Dr Andrew Woods who is returning to tell us more about the Wold Newton Coin Hoard, much research has been done and more information is available than when Andrew came to us before.

In the summer it is hoped to have a walk round the village, looking at some of the interesting places there are in Rudston, and finishing up of course with a cup of tea. This will cost £2 per person and the money will go to a charity. More details later, in the Rudston newsletter!

Chris Gatenby

For various reasons the Indoor Bowls season has been less than satisfactory and has now finished for the summer.

The Outdoor season gets under way on 1<sup>st</sup> May when the Wednesday League have their first games.

Opening of the Green will therefore be before that, and hopefully in time for a club match on 28<sup>th</sup> April. (A busy time for our greenkeepers amidst often unpredictable weather).

Division 3 of the Evening League, in which Rudston will again play, is reduced to 10 teams this year and commences on Thursday 9<sup>th</sup> May.

Friendly games have been arranged with Leven East Street and Flamborough.

We expect to be at least one regular player less than last year, and the usual invitation to anyone new to try the game is extended to everyone.

# Anyone for Tennis?

**Kilham and Rudston** each have **Tennis Clubs** and both are looking for more players!

We play in a friendly, local league as well as socially.

**Kilham** has 2 Men's teams and 1 Mixed team.

**Rudston** has 2 Men's teams, 1 Mixed team, 1 Ladies' team and year-round social tennis.

The teams range from Division 7 right up to Division 2 – so a wide spread of abilities is needed!

Don't worry if you haven't played for ages – it's like riding a bike - and some pre-season coaching may be available.

The emphasis in the lower divisions is on taking part and having fun – it's a bit more serious as you play in the higher leagues! But you don't have to play matches – there's plenty of social tennis for everyone.

This year, league matches start week commencing 29 April 2019 and go through until August.

Club membership/match fees are very reasonable - tennis is a very sociable and affordable sport in Kilham and Rudston!

If you're interested in finding out more, please contact:

The Reform Theatre company presents  
**TWO by Jim Cartwright**

From the award-winning writer of Little Voice and Road comes Two, a gritty yet heart-warming look at northern life filled with pathos and humour.

Set in a Northern Pub where the Landlord and Landlady's cheery greeting and friendly banter barely disguise their contempt for each other. They met outside the pub when they were kids, had their first drink there, courted there, had their Twenty Firsts there, Wedding Reception there, and now they own the place.

During the course of the evening assorted customers pass through including a little boy left by his father, an event that triggers a move towards a fragile reconciliation between the pub couple as their secret tragedy, swallowed back for seven years, comes to a head after drinking - up time.

Headteacher Mr R Palmer

I am very proud of all of the children at Kilham School, over the last few weeks they have achieved great things linked to sport, fund raising and enjoying their time at school. Here are a couple of the highlights.

### World Book Day.

What a fantastic day we had on – World Book Day. The school was filled with a real buzz around books and a wonderful atmosphere. The children looked fantastic in their costumes (thank you to all of the parents who supported their children by making, buying or borrowing costumes). We had a vast array of costumes from books like Harry Potter, How To Train Your Dragon, Where's Wally, Diary of a Wimpy Kid and many many more. I've even heard a rumour that there was an elephant on site?

We tried to capture some of the highlights of the day and put them on our school website. If you want to see the fantastic costumes or a video of our Y6 children supporting children in year 1 and 2, please visit the website – gallery tab – World Book Day 2019 <http://www.kilhamschool.co.uk/>. Please also keep a lookout in the Driffield and Wolds Weekly as their photographer was at the school for World Book Day and got some amazing pictures of the school.

## **North East Boys U11 Hockey Finals – Leeds Tues 19th March**

Kilham Primary School boys Under 11 hockey team travelled to Leeds to play in the North of England Hockey Championships, along with their teacher, Mrs Atkinson and a number of family members, including Sue Morgan who was their referee. This was the fifth tier of qualifying competitions and last of all. The competition had 2 pools, which included 4 teams from the North East and 4 teams from the North West. Kilham were drawn in Pool A and began well with a 3-0 win over Manchester, followed by a closer but very well played 1-0 win against Cundall Manor. In the final Pool A game, the boys lost 3-1 against the ultimate winners Kirkham. Six points was enough for Kilham to be Runners up in Pool A and into the semi-final. Unfortunately, they lost to Kings Chester, ending their fantastic run of hockey tournaments.

Most of the schools Kilham played against are much larger, and many are public schools, who have astro-turf pitches on their school site. No team from Kilham have ever reached this far before, and the boys are to be congratulated on their amazing success. Their behaviour and sportsmanship were once again exemplary. Well done boys.

## **Girls Rugby Competition DRUFC**

Well done to all of the girls from our school rugby team who put all of their training over the last couple of weeks with Mrs Plumpton to good effect last night in wet and windy conditions. The girls were competing against

a variety of local school including; Driffield Juniors and Nafferton. All of the girls in the team played to the best of their abilities, put in

100% effort and behaviour and were a credit to their families and the school. They finished in first place. Well done.
