## Editor's Letter

Dear Everyone,

Happy New Year. I hope that you all had a wonderful Christmas, although it all seems a distant memory, as normal life is resumed as soon as the new year celebrations are dispensed with.

Welcome to any families who have recently moved to the village. I haven't been given any names, but I am sure that anyone who is a recent new resident will soon be part of the activities in the village.....which leads me to the latest village hall event, "The Pop Up Pub".

What a tremendously fun evening that was. When Nick applied for the temporary licence, he estimated and hoped that about 60 people would be there....how wrong he was! The Village Hall Committee had been quite unsure about the outcome and felt that we could have been looking at an almost empty hall on that cold January evening. When we set out the tables and chairs, I asked someone if they thought it looked like a pub, to which they quite succinctly retorted that no ....it looked like a village hall. We need not have worried because the first visitors appeared at 7pm and over a hundred followed.

Becky organised the banner which told everyone that it was the "Wander Inn" pub. As we were deciding where to hang it, I imagined it being rolled up at the end of the evening, (should the whole event be a disaster) and stored away, to be found many years later, with people asking why would the Village Hall have a pub, when there was already one in the village....or even more years hence, be asking the question "What was a pub?"

We needn't have worried, the banner will be making an appearance next month when the next Pop Up Pub takes place on February 16th.

Thank you to all those who supported this event and for giving ideas both for the pop up pub and village hall events.

I have booked two plays, details of which you will find on page 7

Finally a big thank you to all those who have contributed articles for this month's news letter.

*Sue Tompkin*

PS If anyone is worried that we had more people in the pub, than was shown on the temporary licence, Nick rang for guidance and it is all ok. On their advice, we may apply for a full licence....just like a real pub!!

**YES. IT  
REALLY DID  
HAPPEN...

PROOF!!**

Lady Juliet. I apologise for those errors. Sue

The December meeting, just a few days before Christmas was a very pleasant evening. John Walker showed some old pictures of Rudston Boynton and Bridlington, including school photos. Then there was time to look at various interesting objects which had been brought along. These included Roman coins, Elizabethan coins, stone axes, a bell celebrating World War II victories, World War I medals, and pottery remains found in a Rudston garden. A vote of thanks was proposed to John for all his hard work, organising the very successful meetings; and to Val, Ann and Margaret for the refreshments and other help. An enthusiastic round of applause was given.

The January meeting was “My Mum’s War” an illustrated talk by John Walker. John told us that in the Second World War everyone was involved in the whole country, and how his mother had to manage while his father was serving abroad. Women coped with rationing; shortages of everyday goods; evacuation; care of children and the elderly and often women worked for long hours in factories as well.

A house with a garden would have an Anderson shelter; a house without a garden would have a Morrison shelter indoors. Everyone had to have an ID card, and carry their gas mask at all times. Coping with shortages meant that everyone would “make do and mend”, everything was used and reused. John remembered going to a café where there was one teaspoon which was tied to the sugar basin with a piece of string. Everyone was encouraged to not be wasteful with electricity, gas and water. Kitchen waste was saved to feed pigs and chickens. A lot of people would grow vegetables and “dig for victory”. Christmas presents and decorations were very basic, toys were home-made, and decorations might consist of paper chains made from any spare paper. There were queues at shops, and often a rumour would result in a long queue.

John told us that his Great Aunt Mary would write from Canada and would always enclose some tea. His mother was very grateful for the tea but could not quite understand why it came in little bags which had to be snipped open and tipped into the tea caddy.

The next meeting is on Thursday 28<sup>th</sup> February, when Frederick Stephens will talk on “The Scarborough Bombardment from a Different Perspective” This is a new angle on a story we maybe know. Do come along to the Village Hall at 7pm. All welcome. Admission is £2, which includes tea/coffee and biscuits. **Chris Gatenby**

This month's cover picture is one of the last clock winding days overseen and undertaken by Phillip Crossland (pictured), of the All Saint's church clock, prior to the new automatic clock winding installation in August 2018. This was kindly donated by Simon and Angela Dawson of Rudston House, in memory of Simon's father, Alan Dawson, a long time church warden.

The clock was made by John Smith & Sons of Derby in 1882, and presumably placed in the tower shortly afterwards.

A picture unearthed by local historian John Walker, shows the church tower in 1873 without a clock. We can assume the present clock was the first to be installed in the church's thousand year history.

## Village Hall News

At the committee meeting on January 22nd, the box of ideas left at the Pop UP Pub was emptied and all looked at. A list has been made.

There was a great diversity of ideas, with quite a number of people requesting a quiz and evenings with food. Many of the ideas will be used for village hall events, rather than in the pub.

Nick is going to a meeting, to investigate our having a licence for the village hall, which means that those who wish to purchase alcohol at events, will be able to do so. We have been used to taking our own drinks to events, in the past, but this will not be needed.

Two plays have been booked and we hope to be able to purchase staging in the future. We are looking into hiring some, initially, but it is very expensive. 3 more events have been decided upon.

These are;

- A Quiz and Curry Night on April 27th
- Afternoon Tea on May 18th
- A Barbecue at Northside House East Gate, home of Nick and Sue on July 6th

Ticket information will be available in the next News letter.

VILLAGE HALL AGM is to be held on APRIL 30th at 7pm

## **Boynton Primary School**

### **Investors in Pupils**

At Boynton, we feel very strongly that children should not just be a 'number'. We have always prided ourselves on our reputation as a nurturing village school and our message 'From Little Acorns, Mighty Oaks Grow' celebrates this. We take as many opportunities as possible to challenge our children and helping them to grow in to respectable, caring people, who support each other in their learning is of the utmost importance to us.

This year, we have chosen to follow the 'Investors in Pupils' scheme. This is a whole-school approach but is led by the School Council. There are six main areas that we focus on:

Behaviour

Attendance

Learning

Induction

Classroom Management

School Management

In a nutshell, we are encouraging our children to think beyond their own 'bubble' and see how we can all work together and take responsibility not only for our own actions but by challenging others and setting examples to them. Already the School Council have set themselves up as an efficient management team with roles such as: Chair, Vice Chair, Secretary and Website Manager. They have ensured that each class has a vision for their own learning and regularly review their roles and responsibilities. They have all produced 'induction' materials that welcome new children and visitors and even got the chance to negotiate with the new Head of Education at East Riding Council, in order to put their case forward for securing funds that will help us to develop the school.

They are finding out about staff roles and how the school is managed including how finances/budgets work. They will meet our governors and even interview parents with different careers to understand their roles and how they work to support their teams.

Continued on page 10

from page 9

We have also agreed as a school, six values that we would like our children to develop whilst they are at our school.

These are:

- Morals
- Individual Liberty
- Understanding of Faiths and Cultures
- Mutual Respect
- Aspiration
- Healthy and Safe

Each term, we are focusing on one value and enlisting the help of the community. The church is an excellent source of support for our school and regularly helps with this. We also ensure we have a day off timetable each term, to learn as much as we can as a whole school, about the value we have chosen. It is amazing to see how the children respond to the challenge and how they encourage each other to do their best. I've always believed that children are far more capable than we given them credit for. We can't wait to see how our children develop.

**Mr L. Fletcher**

We enjoyed playing Dominoes with a Difference and a sharing Supper in the January meeting. The next meeting is on Tuesday 5th February in Rudston Village hall at 7 p.m. When our very own Rudston Eileen Ward will be talking about the books she has written and published. New members welcome and guests at a charge of £3.50.

## Precept

At the meeting in December the precept for the Year 2019-2020 was set at £4250. This is an increase on the previous year

Should you wish to report any concerns, make comments, or submit items for discussion at future meetings, please do not hesitate to contact Jennifer Hobson (Clerk) during office hours on the following details: Mobile: 07542874957. Email: [clerk@rudston.org.uk](mailto:clerk@rudston.org.uk) 01723 890084

The next Parish Council Meeting is to be held on Wednesday 27th March at 7.30pm in the village hall.

There is £25K available from the Caythorpe Environmental Fund, which could be spent on projects which benefitted the whole community. The parish council has received applications from several projects. Please send applications to the clerk to the parish council. Jennifer Hobson <[clerk@rudston.org.uk](mailto:clerk@rudston.org.uk)>

## What projects will the fund support?

CSL is keen to support community and voluntary organisations that are charitable, educational or benevolent in purpose. Organisations do not have to be a registered charity but they must demonstrate a desire to make a positive environmental difference.

## What initiatives will CSL not fund?

- Projects outside the parishes of Boynton, Rudston and Burton Agnes
- National or regional charities with no independent office in the three parishes
- Sponsored events
- Improvements to land that is not open to the general public
- Projects promoting political activities
- Deficit or retrospective funding (i.e. grants for activities that have already taken place)
- Funding cannot be allocated to organisations or groups promoting religious or political beliefs

An experienced surveyor, recommended by the Plunkett Foundation, is carrying out a survey and viability report on The Bosville Arms, to assist with our on-going negotiations"  
The Parish Council is funding the survey.

Kilham Church of England Primary School

[www.kilhamschool.co.uk](http://www.kilhamschool.co.uk)

Headteacher Mr R Palmer

I am delighted to write my first article as the new Headteacher of Kilham Church of England Primary School. What a busy couple of months we have had, a successful Ofsted visit with the school still being judged as good, Christmas and now onwards into the New Year.

As this is only my second full week can I just take the time to thank all of the parents who have gone out of their way over the last week to catch me before or after school on the playground to introduce themselves and check that things are going well. My first full week with children in the building has been wonderful—what a special place for learning Kilham School is. The children, staff and governors have made me feel very welcome and I feel extremely privileged to be joining your school community and use my 18 years of teaching and leadership experience to help shape the future of the school.

During my 18 years of teaching and leadership experience, key events have helped to shape my own values and beliefs of what Primary education should be. First and foremost, I want the children at Kilham School to be happy, to enjoy and be enthusiastic about learning and to feel comfortable in their own skin. I want them to aspire to be the greatest version of themselves, to develop a sense of responsibility towards themselves and others and to develop a lifelong love for learning with Christian Values at the heart of all they do.

Over the last couple of weeks children have been involved in a number of exciting events. On Monday night members of Y6 represented the school at a dodgeball competition at Driffield leisure centre against other local schools. After a very competitive evening they ended up coming 5th place which we are very proud of. Thanks to Mrs Atkinson and all of the parents who helped make it happen.

As always the children at Kilham C of E Primary school love to get involved in sporting events and in the near future we have ....

Continued on page 14

From Page 13

...children involved in an U11 boys hockey tournament and a local swimming gala at Driffield leisure centre. Good luck to all of our children – give it your best shot!

Children in class 4 and 5 have also been involved in an Eco day run by members of the East Riding waste and recycling team. The children learnt about why we need to be responsible with our waste and how this affects the way we live. The event ended with a whole school assembly looking at what waste is allowed to go in the blue, green or brown bins and a then a parent's information session.

Finally can I just remind parents that my door is always open and if they have any questions about any aspect of the work that we do at Kilham School, please call into the school or book an appointment to see me.

Thanks for all of the support I've received so far.

The aim of this experiment is to prove that plants do take in water.

You will need 2 sticks of celery with its leaves still on, or white-petal flowers (carnation etc), 2 glasses , red or blue food colouring,

Ask an adult to help you cut 2cm off the bottom of the celery or flower.

Fill one of the glasses roughly 1cm high with food colouring and add an extra 0.5cm of water to it. Fill the second glass with just 1.5cm of plain water.

Place the freshly chopped end of one of the celery sticks (or flower in the water.

Place the other in the clear water and leave overnight.

## Results

You should find that the leaves of the celery (or carnations) have become a colourful work of art! This proves that the plant has taken up the coloured water you made
