## Editor's Letter

Dear Everyone,

First of all I would like to wish all Rudston residents a Happy New Year. I hope that everyone is feeling well and not too despondent, due to the present lockdown. Christmas seems such a long time ago, but I would just like to mention the turning on of everyone's lights on December 6th. It was a brilliant idea which worked so well, especially the ringing of the church bells. We sadly missed the reindeer walking by, as our Tesco delivery chose to arrive at that moment!

We had a garden Christmas dinner with all our family. We put up a gazebo and Christmas morning saw us scraping ice off 3 garden tables. We had four heaters and each family had their socially distanced tables. We had a small Christmas tree with all the presents around. We had good fun, but by 5.30 we were really too cold to carry on and we had to reluctantly wave everyone good bye. It was a memorable Christmas Day and we were so lucky to spend it with our children and grand children.

The highlight of our week is Saturday nights, when we have zoom quizzes with our children and older grandchildren, together with family in the Midlands. We have lots of laughs and the quizzes become more inventive each week.

There is good news about the Bosville, as the tenants, Sharon and Martin, have moved in this week. They were telling me that they are excited to be opening when the restrictions are lifted. As well as the restaurant, they will be running a coffee shop. They want the pub to be very inclusive. The shareholders were invited to meet them and look around the pub during a weekend in December. All the people who have been responsible for the refurbishments are absolutely amazing.....such a lot of hard work has been done. Read more on page 5.

Thank you to those who continue to send articles and thanks also to the deliverers of this newsletter.

Perhaps when we are putting together the next edition, the current situation may have improved.

I stepped onto my talking scales this morning. It said, "Please practice social distancing. Only one person at a time, please"

Dear Friends,

During this national lockdown we have decided to suspend public worship in church at Rudston and also across the benefice (our group of 8 churches) during February. The church here will remain open during the day for individual private prayer and will be available for funerals

We will continue to have a 'Zoom' service every Sunday at 11am and every Wednesday at 10am. Please email Glyn for the Zoom links.

We will wait to see how things unfold and what new guidance emerges. Things are likely to change so for up-to-date information on what's happening in Rudston and around please check both the church notice-board and the All Saints, Rudston section of the Church of England's web site: A Church Near You: <https://www.achurchnearyou.com/>

February brings with it Ash Wednesday and the start of Lent. Throughout the centuries Christians have looked on Lent as a very special time for spiritual development. To help us we will have a weekly 'Zoom' Lent course called, 'Holy Habits'. Starting on Tuesday 16<sup>th</sup> February, and running for six weeks, we'll journey through Lent together; all are very welcome. Contact Glyn or check the church notice board/website for further details.

With every blessing, Glyn

## **A prayer for these times:**

Keep us, good Lord,  
under the shadow of your mercy  
in this time of uncertainty and distress.  
Sustain and support the anxious and fearful,  
and lift up all who are brought low;  
that we may rejoice in your comfort  
knowing that nothing can separate us from your love  
in Christ Jesus our Lord.  
Amen.

The late Pat Stevenson

I would like to offer my condolences to all of Pat's family, and friends. I was a friend of Pat for over 60 years, not in each others pockets, but always there when needed. A shoulder to cry on, a coffee to talk over, and always a talk to put the world to right when we thought it had gone wrong. I will remember Pat with many happy memories, and kindness shown in my hour of need. R.I.P. Pat . Julia Overfield.

We have now cancelled the Snowdrop Walk totally due to the Government restrictions. Chris Gatenby has some cards for sale in aid of Church at £2.50 each and is willing to deliver them to you in the village if you would like one /some. If you are like me you will be fast running out of birthday cards etc and it is easier and safer than going to the shops for a card. Chris' phone number is 01723 890464. The cards are made from photographs and have been donated for our use by one of our supporters who likes to come to the Snowdrop walk.

Thanks to all who helped to individually decorate Church for Christmas. I am sure those visiting for private prayer were heartened by the effort made for Christmas.

There are no events planned for the future yet.

June Sellers (Social Secretary)

I have now received the Federation Newsletter and will wait for a fine day and a bike ride to deliver them.

Best Wishes June Sellers 01262 420237

We are meeting via Zoom and still here to serve you should you need our help.

The lease is signed and our new tenants, Sharon & Martin have officially taken over the Bosville Arms. I'm sure they will receive a warm welcome from everyone in the Community, please say hello if you see them walking around the village with their dog Otis.

They will now be making preparations ready for when restrictions are eased and the pub can open for business.

This has been a long road from that first public meeting objecting to the previous owners planning application 3 years ago, so a huge thank you to all our supporters. Just shows the power of a good community.

Time to celebrate

Ian

## **A GOOD READ**

Here is a couple of books which I have enjoyed recently.

*Sue Watson....."First Date"*

*Lucy Foley....."The Guest List"*

In a letter written by Colin Campbell, he has the following suggestion  
May I suggest our very own Eileen Ward?

Two books. First one was "*Yon lad out there*"

Second is "*It's not what you know*".

Both thoroughly enjoyable and fascinating- family, social history books. Full of up's and down's of life. Thought provoking but with plenty of humour too.

Even better when you can ask the author to sign them! Eileen lives on Southside Lane. Hoping that she's working hard on her next book!

Should anyone else have any suggestions please email them to me at [sunic911@gmail.com](mailto:sunic911@gmail.com)
