Editor's Letter

Dear Everyone,

Just occasionally, I am at a loss for words. That expression usually means that something extraordinary has happened. Well this is in fact quite the opposite. I have nothing really to write about on this very cold morning in February.

Inspiration has vanished! I had hoped that someone would tell us why the Gypsy Race is suddenly gushing along. It would be good if one of the younger residents could tell us about half term adventures.....or are those just on a screen!

Gosh, doesn't this editorial sound depressing! For those who are new to the village, I don't usually write in such a manner, but I just want someone TO WRITE SOMETHING OF INTEREST for everyone to read.

Our grandchildren came to stay at the beginning of half term .The older ones were not impressed that the pub was closed, meaning that they couldn't satiate their never ending gluttony, with a Bosville Burger. When the 3 year old came to stay, he was very disgruntle at the lack of cows in the field. We went on a walk to look for tractors and popped into the village hall. The toddler group was in there but just about to put all the toys and equipment away...so gran failed again. It was however pleasing to see so many toddlers at this thriving Toddler Group. If you read on you will see that there are many articles submitted by people who are involved in a myriad of activities in our village.....not so uninteresting after all and in the better weather we can look forward to the Bosville extending the opening hours and the camp shop opening from March 1st.

Did I say welcome to any newcomers..... to our lovely engaging and vibrant village. *Sue Tompkin*

The Mystery of the Brown Woods

Just as I was bemoaning the fact that I had nothing interesting to write, a member of the indoor bowls team presented a mystery. When they unrolled the mat at their last session, 2 brown woods were rolled up inside. Someone had been having a crafty practice....but who? None of the team had been there. It couldn't have been the toddler group, as the woods are heavy. The yoga group meet on Wednesdays, but they are far too engaged in warrior posing, saluting the sun, downward dog, or as in my case "downward frog!" This is indeed a Village Hall Mystery. Sue

Dear Friends

This year Easter comes early and so in March we have Holy Week; the most important week in the Christian year. At one end of Holy Week we have Palm Sunday and the hollow welcome of Jesus, on a donkey, into Jerusalem (there will be a real donkey at the service at Burton Fleming!). We travel through to Maundy Thursday remembering the last supper including Jesus' washing of the disciples feet and command to us to be the servants of one-another.

Continued on page 4

from page 3

Then on Good Friday we meditate on the cross and the pains Jesus bore there. On Holy Saturday a new fire (literally in the church porch!) bears into the darkness of death and the Easter Candle is lit. Finally at the end of Holy week, on Easter Day, we celebrate Jesus' glorious resurrection and presence with us now. All this is a great reminder that whatever the situation God is at work and has the power to bring light into even the darkest places. Our faith and the structure of our seasonal church services help to bring this truth alive for us.

So may the joy of the resurrected Jesus be us with this Easter and always.

Every blessing, Glyn

Dog Poo - Bin that Bag

Most of us are responsible dog owners and clear up any mess our dogs make in a public place, footpaths, grass verges, parks etc. Unfortunately there are one or two who don't and that gives all dog owners a bad name. There is now legislation in place for the Parish Council, or any member of the public, to be able to take action against anyone whose dog is seen to make a mess in a public place and the owner does not clear it up. A report is sent to Beverley and an instant fine of £75 is issued. If this is not paid a £1000 fine can be expected following a hearing at the Magistrates court.

This legislation extends to people who allow their dog to roam free.

Please ensure that you have enough poo bags with you and bin the bag. Don't leave it in a hedge or on the roadside, take it home with you and bin it. Please help us to keep the village a safer place. Dog mess looks disgusting, can cause blindness in children and is not a pleasant sight for visitors to Rudston. Chris Shanks 420993

News from Thorpe Hall

I would like to congratulate all the team at Thorpe as we have been selected as finalists for the 'Remarkable East Yorkshire Tourism Awards' for the Caravan Site. Given the size of entries for this category and competition across the county this is great achievement. Final Results are to be made at the award ceremony at the Spa on the evening of the 17th March...! I will keep you posted...

With best wishes,
Somerled.

RUDSTON VILLAGE HALL COFFEE SHOP

We are urgently in need of more helpers at the coffee shop, this is due to people leaving the village and ill health. The coffee shop is every Thursday morning from 10am to 12noon. We have a rota which means we take a turn every five to six weeks depending on the number of helpers.

The Coffee Shop is a great asset to the village where people can meet in a very friendly atmosphere whilst enjoying a coffee/tea and light refreshments, it also is a very valuable source of income for the maintenance of the hall.

If you would like to help we would be very pleased to welcome you we, work in pairs so there will always be someone on duty at the same time as you.

If you are interested in helping please contact
Shirley phone 01262 420225.

On 2nd February, the WI meeting was attended by 21 members, at Rudston Village Hall. Melissa Raven welcomed everyone and introduced the speaker, John Walker, who gave us a talk with the theme of 'A Golden Wedding'

This very interesting talk was themed on the Bridlington Old town in the 1800's and he showed us some wonderful slides from that era.

Our competition was themed on something gold or golden and was judged by John. First prize was won by June Sellers, 2nd Hazel Conner and 3rd Barbara Moorfoot, the raffle was won by Edna Robson. Congratulations to you all.

At the meeting we discussed items from the WI newsletter. Our next luncheon club will be at the Manor Court Hotel on 16th February.

If you are interested in joining, or would like to come along as a visitor you would be made welcome. Our next meeting is on Tuesday 1st March at 7pm. For further details, please contact Sue Dawson on 01262 606153

Missing Word for FebruaryMANICURIST

Marie Curie's Great Daffodil Appeal has been raising awareness and funds since 1986.

Last year, the appeal raised £7.5 million, funding almost 400,000 hours of nursing care. That was a great result but sadly, one in four people in the UK still don't get the care and support they need at the end of their life.

Every March, millions of people across the UK show their support for our work, simply by giving a donation to wear a daffodil pin. Without this generosity, thousands of families across the UK wouldn't be able to make the most of the precious time they have left together.

Volunteer your time

Why not join us for just two hours to collect donations and give out daffodil pins at a supermarket near you? Every £20 pays for an hour of nursing care – giving peace of mind to people living with a terminal illness and a chance for their family to rest.

To sign up to become a collector for this year's appeal and for more information on collections near you go to <https://www.mariecurie.org.uk/get-involved/daffodil-appeal>.

Hold a Fundraising Event in March

If collecting isn't for you or you don't have the time to spare, why not organise an event instead? You could do this in your workplace or in your college and school and get everybody you know involved this year.

There are lots of things you could do that are fun and easy to organise; you could let them eat cake by holding a bake sale, dress up, down or daft, get quizzical or hold your very own lip sync battle. For more information on how to register to get your pack please visit <http://www.mariecurie.org.uk/>.

What your time means

Every £20 you raise pays for an hour of care from a Marie Curie Nurse.

£180 pays for one of our nurses to look after someone right through the night.

Whatever you do, however much you raise, you'll be helping Marie Curie Nurses to support families when they need it most.

For more information about Marie Curie Cancer Care and any other enquiries relating to the charity, such as joining your local fundraising group or organising your own activity please contact

Grazing Wanted

Grazing in Rudston for one horse is required for 3 days per week. This horse is fine with other horses and sheep.

At the time of writing it is not confirmed whether Rudston is taking part, but if you see folks with gloves and black bags that is what it is all about.

The village Emergency Plan is in the process of being updated. That is the one that everyone should be aware of, but hopes they will never need. Places in Cumbria for example may have had cause to refer to one this winter, but there were catastrophes other than floods in mind when these were set up. Anyway, it is one of the items on the village website, to which many will regularly refer of course (!)

Other groups in the village should be aware that the Lissett Wind Farm funding scheme is open to new applications to 30th April. The Parish Council looked into the possibility of it helping with our Defibrillator (that hasn't been forgotten), but it appears not. You get offered money from all sorts of places, but have to "tick their boxes" before they will give you any!

I would like to congratulate the young mums, dads, and their babies and toddlers for their involvement in the "little Rascals" group who gather to play, learn and socialise on a Thursday morning at Rudston Village Hall. Well done to you all for your participation. It is so vital at this early stage for the education and socialisation of young children and also the support and friendship of young parents in a similar situation. Long may it continue. It is a very important part of the Life of our Village and it is lovely to see the energy of the youngsters and their parents. I know you all also appreciate the ladies serving refreshments too! We are very fortunate to have this facility in our village.

From June Sellers - a grateful grandparent.

Crosslands Column

We had a successful week-end for the Snowdrop Walk at Thorpe Hall. Some of our visitors have become regulars and others visited for the first time. Everyone was full of admiration for the wonderful show of Snowdrops and Aconites in the beautiful and peaceful grounds at Thorpe Hall. We are very grateful to Somerled, Charlotte, Alexander and William Macdonald for all their help and support over the week-end and especially for the masses of baking which were sold for refreshments. Thank you to them and their staff.

We have had lots of complementary comments about the lovely home made cakes and buns sold at reasonable prices in the stable refreshment "cafe". We were fortunate to have better weather than other areas of the county. I would like to thank everyone who helped at and baked for this event. The team work for our events is fantastic and more importantly extremely reliable and also the support from the local area. £1500 was raised for Church funds which is a great start to the year.

At time of writing there are 7 tickets left for the first sitting at 12 of the Spring Lunch at Low Caythorpe on Tuesday 8th March and 7 for the second sitting at 1.30 p.m. so please let me know quickly if you would like to come. Tel: 420237

There will be a Bridge Day on Wednesday April 27th if you know anyone who can play Bridge and wants to bring a 4 for a table at Rudston Village Hall. Contact Wendy Proctor on 420602. The day includes coffee on arrival and a 2 course lunch- hot main course and sweet and coffee & glass of wine.

Thank you for your support in the past.
June Sellers (Social Secretary)

The question of buses around the village hasn't been dropped altogether, with attention now turning to the "pinch point" when there are parked vehicles for midweek events at church. Thank you to those who completed the bus survey forms though. Those have been duly passed on to the county council.

Meanwhile amendments to the 124 service have now been published. The Acklams service finishes on Thursday, 31st March, and there will be no further Saturday service. (Last of those 26th March) E.Y.M.S. then takes over with a Ruston Parva to Bridlington run on Wednesdays, and a Boynton to Driffield on Thursdays. Both will call in Rudston. Timings are 10 a.m. for Bridlington with a return at 1 p.m. on Wednesdays taking 20 minutes, and 9.35 a.m. for Driffield with a return at 1 p.m. on Thursdays. As noted previously that meanders around other villages and will take 40 minutes.

A new Register of Electors was received at Christmas, which showed a reduction of four on the previous year. However, February updates then showed an increase of three, so it is probably safe to say that the population of the village remains fairly constant.

The next parish council meeting is to be on Wednesday, 23rd March, when our PCSO, Andy Milner, also hopes to attend. From a subsequent letter by the area Inspector it seems his role has changed slightly, but we are assured (of course) that response to incidents and public safety remain top priorities. One of the changes is the discontinuing of monthly police reports, but the PCSO hopes to keep us informed by e-mail of local happenings. There has only been one of those to date with nothing for Rudston. The disappearance of the 14 year-old girl from the village would be a higher level police matter, and I'm sure everyone was relieved when she was soon found safe and well.

Communities are being invited to take part in a "Clean for the Queen" event taking place over a long weekend 4-6th March. The idea is a general litter clearance, ahead of the Queen's 90th Birthday later in the year.
