Editor's Letter

Dear Everyone,

Thank you as usual to all the contributors and to those who are involved in the putting together of this news letter, including Shirley Harland who proof reads and Doug and Shirley Clark who print and put the pages together. They also deliver it with a group of other volunteers.

After the publication of the last newsletter, in which the parking on Eastgate was mentioned by myself and also the Parish Council, I had a phone call from a resident asking if I would mention the parking on the pavement, also on Eastgate.

It is really dangerous practice to do this, as people pushing wheel chairs, prams and pushchairs have to step into the road. I'm sure that this thoughtless behaviour wasn't done on purpose, but we ask everyone to please park sensibly.

In my last editorial, I wondered why a cow and a bull came into the field and then left rather suddenly. Well Bob Overfield was happy to supply an explanation. The cow jumped over the fence and proceeded to meander down Long Street. She had obviously taken a dislike to her escort, the bull. The gate has now been mended and the rest of the cows are grazing happily in the field. It does seem rather drastic measures to avoid him, but then the "cow jumped over the moon" in a nursery rhyme, with which we are all familiar!

Last Sunday, April 24th, there was a spectacular procession passing through our village. I am referring to Wold Newton 12th Annual Charity Tractor Run. It was really interesting to see all the different types of tractor, including vintage ones. I expect there were lots of little boys gazing wide eyed at this display....and some much bigger ones also! They started at Burton Flemming and completed the run at Wold Newton, supporting the Yorkshire Air Ambulance Charity.

There are lots of activities in our village and events with which to look forward in the future.

Welcome to any newcomers to our village and good luck to all those youngsters who are taking SATs tests in May!

Sue Tompkin

Church services and events for May

1 st	9.30am	Holy Communion
8 th	9.30am	Morning Prayer
15 th	9.30am	Holy Communion for Pentecost
22 nd	6.00pm	United Parish Communion at Kilham:
29 th	4.00pm	All-age Service

A service of Holy Communion each Wednesday Morning at 10.30am followed by coffee.

On Sunday 22nd May at 10.00am in York Minster Revd James Trowsdale will be ordained Priest.

Our United Parish Communion on this day will, therefore, be at 6.00pm at Kilham when Revd James will preside. This will be followed by a supper.

On May 22nd, Trinity Sunday, I will be ordained as priest in York Minster by the Archbishop of York. That evening I will take my first service of Holy Communion. This will be the culmination of three years training and over thirty years of working out God's calling to me.

To be ordained as a priest sets me apart to perform specific tasks as a minister in the Church of England; primarily, undertaking baptism and marriage services, leading Holy Communion and proclaiming blessings (or Absolution).

I am greatly looking forward to assisting Revd Glyn, Revd Barbara, the ministry teams, the Wardens and P.C.C.s and it will be a great privilege and honour for me to continue to serve the parishes of Rudston and the surrounding area.

My wife, Gillian, and son's, George and Jono and I are so grateful for the warmth of welcome we have received since arriving last year and making our home amongst you.

Thank you, James

RUDSTON VILLAGE HALL

AGM HELD ON APRIL 26TH 2016

There were 14 people present at the AGM. Simon Rhodes, the chair welcomed everyone said that it had been a successful year for the village hall listing the fund raising events which had taken place; the yard sale, the bake off, Musical Allsorts, the travelling lunch and the Dialect evening.

The hall is frequently in use. There have been changes on the committee this year, Jenny Herring has left the village and will no longer be treasurer. She was thanked for her work and Simon said that Nick Tompkin had taken the job on. A new secretary was required and Sue Tompkin has done this job for the year.

The booking secretary's report was read out by Shirley Clarke. She said that the village hall has been well used this year and went on to list the many events which have taken place.

Jill Ainsworth, the auditor read the report, as Nick was not responsible for last year's accounts.

Fund raising has been very good this year, particularly the coffee shop. The solar panels have paid out £125. There have been repairs and maintenance including some painting this year.

Appointment of the new committee for 2016.

Shirley Clarke was elected as chair of the committee.

From page 5

There are still some representatives from village clubs to be elected.

Simon Rhodes announced that he was resigning as chair, after 15 years. He was thanked for all his work.

.....

A committee meeting followed and Shirley Clarke was elected as chair.

Sue Tompkin was elected as secretary and Nick Tompkin as treasurer. Shirley and Doug Clarke were elected as booking secretaries.

Lots of discussions took place, one of which was the raising of the price of cakes at the coffee shop.

There will be another yard sale this year organised by Teresa.

This is always a well attended event.

Following on the success of the travelling lunch, it was decided to have a Summer Barbeque. This won't be travelling, as such, but in the garden of Sue and Nick's. Details below

**Tickets will be available shortly from
members of the Village Hall Committee.**

On 6th April, the WI meeting was attended by 18 members, at Rudston Village Hall. In Melissa Raven's absence, June Sellers welcomed everyone and introduced the speaker Hazel Armstrong who gave us a talk on the ACWW (Associated Country Women of the World)

This very inspiring talk was themed on the projects that ACWW are involved in. These projects are funded to enable poorer countries to set up small village industries. They vary from Jewellery making to Furniture making. These projects are funded by donations and The Women's Institute and Country Women's Association are main contributors.

Our competition was themed on a favourite necklace. First prize was won by Gloria Traves, 2nd Di White and 3rd Barbara Moorfoot, the raffle was won by Maria Lloyd. Congratulations to you all.

At the meeting we discussed items from the WI newsletter. Our next luncheon club will be at the Triton on 26th April.

If you are interested in joining, or would like to come along as a visitor you will be made welcome.

Our next meeting is on Tuesday 3rd May, rather than a meeting this will be a visit to Beswick Mill Farm.

Healthy Homes Project

***“Helping rural residents
with health
conditions made worse
by living in a cold home”***

The Healthy Homes project is working in 71 villages in East Yorkshire, to improve the lives and health outcomes of residents who have an existing health condition made worse by living in a cold home.

(see www.hwrcc.org.uk for village details)

The project will try and improve heat retention in client's homes. If eligible we can install a renewable heating system to replace your existing heating if it is not providing adequate warmth. Clients who cannot afford to heat their homes will be offered a one off crisis pot of Oil, LPG or coal as a stop gap measure whilst help is being assessed.

Susan Oliver, Delivery and Development Manager at Humber & Wolds Rural Community Council, said: *“Living in a cold home is not only detrimental to physical health, but it also affects emotional wellbeing, and can lead to loneliness or low confidence, or to mental health issues like depression. Through a range of services within the Healthy Homes Project, we will be able to face these challenges head-on and ensure that as many people as possible have a warmer home and in better health throughout the year and especially during the cold winter months.”*

Through the project we can also offer advice on:-

- Help you to join our Bulk Oil Buying Scheme, to lower your fuel costs if using oil to heat your home.
- Advice on how to manage fuel debt to energy suppliers.

Continued on page 10

From page 9

- Organise benefit checks to increase your income if eligible.
- Provide information to help you make your home more energy efficiency so that you can save money on energy bills.
- Help you find a cheaper energy supplier and tariff.

Anyone can make a referral to the project, as long as they or someone they know is living with an existing health condition made worse by living in a cold home.

This is **NOT** a too good to be true offer. We want to make a difference to the lives of rural residents. Funded & supported by -

Crosslands Column

Some may have wondered at the considerable difference in clerk's hours from the Vacancy notice in the last issue. Unlike Rudston (and most other parish councils) Burton Agnes has a separate Treasurer. While accounts don't take up too much time normally, it is an especially busy time in the period following parish councils' year end of 31st March. However, they balanced first time for my final year, and have been duly checked and verified by the "internal auditor".

In another of those "changes" mentioned previously, the audit return this year is to go off before the period of the accounts being available to the public ends. The official notice will appear in due course, but that is not until 6th June to 15th July. The place as usual will be the home of the chairman, but as that position is subject to election at the May meeting we can't confirm whose that will be just yet. All will be revealed next month of course.

From the lengthy letter of instructions this year it appears that the whole of the parish council are expected to be "Treasurers" now though. Nothing, rather than everything, should be left to the Clerk it seems. Possibly I and those before have enjoyed a high level of trust, but surely there has to be that confidence in a person appointed to such a position? No doubt these onerous (and for a village, ridiculous) rules are the usual "sledgehammer to crack a nut" approach after the odd case of wrong-doing, usually in town or city councils.

However, I digress. In order to occupy the main room at the Village Hall we have had to arrange the May meeting for Friday, 6th. As has become the practice, the parish council meeting will immediately follow the Annual Parish Meeting which commences at 7 p.m. We expect to have Councillors Jane Evison and Jonathan Owen along. Also Peter Hirschfield of Humber & Wolds Council will be coming to talk about the "Healthy Homes" project. There should be a separate article about that in this issue.

Continued on page 12

From page 11

With all that, and our Chairman (still Mr. Neil Watson at that point) with the highlights of the parish council year for you, we are hoping for a considerable number of people from the village. To add to the excitement, with any luck there should also be police presence. Our PCSO was unable to attend the March parish council meeting when he was called away on an urgent matter but he will do his best to come this time. Inspector Cocker has also expressed a wish to visit so has been invited along too.

Separately, the latest 6 monthly Anti-Social Behaviour statistics have just been released, which show nothing reported in Rudston.

By the time this is read a new Clerk may have been appointed, but as the present one doesn't finish until end of June he is hoping to be allowed one more "Column".

Dog Fouling (Again)

I have been visited by our new area dog warden and he has, very kindly, agreed to patrol Rudston at certain times to see if he can stop the problem of dog fouling in the village. He has also asked that we make everyone aware of the following information:

- ♦ Do you see irresponsible dog owners walk on after their dog has fouled?
- ♦ Do you see dogs roaming the streets without their owner and fouling?

You can stop them damaging your reputation and report them to the dog warden in confidence.

Where possible report:-

Location of the dog fouling

Time and date of the fouling

Name and address of the dog owner

Description of the dog

You can contact the dog warden directly on 01482 396301

or email Michael.Heseltine@eastriding.gov.uk
