Editor's Letter

Dear Everyone,

I hope that you all had an enjoyable Easter, made so much better by the marvellous weather.

This month has seen a variety of village hall events and there are more to follow next month.

"My Brilliant Divorce" was a play full of one liners, with some bitter emotions. A great evening of "stand up tragedy".

We had a temporary licence for the evening, which proved a huge success.

The quiz and curry night at the Wander Inn, was a fantastic evening, really enjoyed by many ; a huge thankyou to Eileen for her delicious curries. Also all the people who helped to put away the chairs and tables made the clearing up so much easier. We look forward to the next Wander Inn. See page 15 for details

On May 11th, we are looking forward to welcoming the Reform Theatre company with their production of "Two 2". You can read all about this comedy on the enclosed leaflet. We are hiring a stage for this production and also there is a bar. It promises to be a very entertaining evening.

Following the success of previous delicious "Afternoon Teas" there is to be one on May 18th. We look forward to this and see further details on page 10.

We do not as a rule print letters of a controversial nature; however I think that it is time that we printed more issues which residents can freely discuss. After all, the whole nation is in the middle of discussions at this present time! Please bear in mind that I am not expressing my opinions, just those of the people who write the letters.

Welcome to any newcomers, who have recently moved into our village. I am sure that you will quickly become involved in all that our friendly and sociable community has to offer.

Dear Friends,

By the time you read this, we will have concluded our Easter services, these have been coloured, this year, by the violence around the world, and in particular, the bombings in Sri Lanka & Ireland, sadly with religious overtones. We celebrated love and redemption, forgiveness and salvation, new life and eternal life, as others mourned the dead. We must have hope, but what can we do? Yes, we can pray, yes, we can write letters to our MP, yes, we can try and campaign to help the refugees.

However, we, in this lovely, peaceful part of East Yorkshire must not be guilty of complacency; we are sheltered from much of the dreadful behaviour that covers our land. I guess that because we are a clutch of small villages, we are of little interest to the rest of the country. But most of us are fully aware of the dreadful situations that jump out of our newspapers, televisions and radios. We can hear, almost instantly, of the latest murder or attack and we are duly shocked. May we always be shocked, may we always be outraged, may we always be willing to stand up against any behaviour that threatens our freedom and our way of life.

So let me take this opportunity to wish you a blessed time, as you continue to celebrate the Easter season but may we do so with our eyes wide open to what is going on around us.

Love & blessings,
Rev'd Barbara

I am sorry to tell you that Mrs Sally Cummins has died. Sally and her husband Norman lived in Rudston some years ago, with their daughters Nicky and Jo and their son David. They moved to Sigglesthorne then and to Somerset where Sally died at the end of March. While they lived in Rudston Sally and Norman were involved in village life, and Sally started the Newsletter. Last month's note about the end of the indoor season may have sounded a little gloomy, but it finished better than expected, with an extra couple of weeks and a new member joining.

Attention now turns to the outdoors of course, and our first club game should have taken place by the time this is read.

Then it is into league matches. The Wednesday Wolds Triples League fixture list arrived with "Bye" dates already marked, two teams having withdrawn. That one gets under way on 1st May. No late changes have been indicated for the Driffield league which we start with a home game against one of the two teams relegated from the 2nd Division last year, Sledmere B, on Thursday 9th May. (Now that Rudston only has one team the only way for us is up)!

RUDSTON BOWLS

Phillip Crossland

All Saints Church Social Committee.

On Wednesday 24th April 55 guests enjoyed playing at the Bridge Day in Rudston Village Hall. They were served coffee and biscuits on arrival then played Bridge until lunch time when they were served a hot main course followed by a choice of home made desserts and coffee . They then continued their Bridge , the raffle was drawn and they left at 3 p.m.

Thanks to Wendy Proctor for organising this event and to all the helpers who provided the lunch and then worked very hard all day looking after our guests. Jean Corner ran the raffle which raised £189.

Thanks to anyone who donates raffle prizes for our events. Jean puts them to good use and always raises a lot of money towards those events. The total raised for Church funds was £819 and it was pleasing to see the return of so many of the Bridge players who are willing to support our events and a special thanks to Winnie Honor who is our guide.

After a few months rest from fund raising the next event will be our BIG fund raiser for the year . A Flower Festival entitled 'Our Village' and we hope businesses in the village will be willing to sponsor the cost of the flowers for an arrangement to represent their business. We will also be portraying the various clubs and organisations in the village. There will be preview evening on Friday 9th August which will be ticket only event. Then open to the general public on 10th, 11th, 12th August. On Sunday 11th August the Church service will take the form of a Songs of Praise at 6 p.m. If anyone would like to sponsor this event or an arrangement please contact June Sellers form June onwards on 01262 420237. There will be more details In June and July. Jean corner is always willing to accept raffle and tombola prizes.

Thank you for your support in the past and we look forward to your support at our future events.

I hope people visited Church over the Easter period and enjoyed our floral arrangement to celebrate Easter . Thanks to all who helped in any way.

June Sellers (Social secretary to Rudston P.C.C.)

Boynton Primary School

Last term Class Two at Boynton School learnt about the Romans and as part of the topic they enjoyed an interesting trip to a museum in York. Here is a report of the day from one of the class pupils.

The first thing we did was to group around a giant map of the Roman Empire on the floor at the entrance. A member of staff, Chris, told us that in Roman times York was called Eboracum. We then went to a room with different activities to do. Chris passed around some Roman pottery and we had to try and guess if it belonged to a rich or poor person back when it was in use. After we had finished passing around the pottery we started doing the activities in pairs or groups. The first activity we did was rebuilding the Roman Bridge. After that we started crushing some spices and grinding some flour. The next job was to make up some Roman hairstyles for some female mannequin heads

Another activity was trying on some Roman armour and playing Knuckle Bones. Trying on the armour was great fun! It was however very heavy and we nearly fell over. The next activity we did was making our own mosaics on a magnetic whiteboard and the final activity we did was doing maths with Roman Numerals. It was easy for the Year 4's because they had done Roman Numerals in maths as part of the classes' topic.

After lunch we had a really good look around the Roman part of the museum. We saw a display with a sword found in Boynton which we were fascinated by. We had also learnt at school about the Roman mosaics found at the villa in Rudston. One of the highlights in the museum was getting to walk on a mosaic which made us think about the ones we had been learning about at school. The mosaic looked very cool and felt weird on everyone's feet.

Finally, we finished looking around the museum, we all agreed it was really interesting and we had really enjoyed it. In fact it was one of the best trips ever!

Rudston Village Hall AGM held on 30th April 2019

There were 19 people present at the meeting and it was good to see some new faces. The Chair, Shirley Clark, gave her report and talked about the large amount of maintenance which has taken place this year. She also mentioned the various events which the village hall committee have organised. Shirley went on to thank the committee for all their hard work.

The booking secretary, Teresa Blofeld, listed all the various events for which the hall is used and said that there are 2 weddings booked for next year.

The treasurer, Nick Tompkin, presented the audited accounts. He reported the refurbishments cost approximately £9000 and we were awarded a grant of £4000. However we are still waiting for £2000 of this. The solar panels pay for all the electrics which we use in the hall. Investments were sold, yielding £1248, which was put towards the refurbishments. Nick expressed a big thank you to the coffee shop, which raised over £2000 last year.

Election of committee members

Shirley explained that the new committee is made up of representatives of village clubs and societies, as well as co-opted members. When Sir Godfrey Macdonald donated the hall to the village, this was part of the constitution. Although they have all been invited, some were unable to attend or didn't respond to the invitation.

History Group	John Walker	Parish Council	Bernard Warcup

There are 9 co-opted members .

The Reform Theatre company presents

TWO by Jim Cartwright

From the award-winning writer of *Little Voice* and *Road* comes *Two*, a gritty yet heart-warming look at northern life filled with pathos and humour.

Set in a Northern Pub where the Landlord and Landlady's cheery greeting and friendly banter barely disguise their contempt for each other. They met outside the pub when they were kids, had their first drink there, courted there, had their Twenty Firsts there, Wedding Reception there, and now they own the place.

During the course of the evening assorted customers pass through including a little boy left by his father, an event that triggers a move towards a fragile reconciliation between the pub couple as their secret tragedy, swallowed back for seven years,

Letters to the Editor

Dear Editor

We live down South Side lane which is a popular route for dog walkers. Today my wife witnessed a lady picking up after her dog and then proceeded to throw the bag in the hedge by the side of the horse paddock.

This not the first time we have had a few thrown in our hedge, or the poo left where it was deposited, on the grass outside the house. As far as I am aware it's an offence to not pick up and dispose of it properly: failure to do so carries a £75 fine.

Regards
Ian Trudgett

Dear Editor

One of the joys of living in a village like Rudston is to appreciate the wonders of nature including the livestock that surrounds us.

One of the most prominent group of animals in the village is the magnificent Shire Horses owned by Paddy and Maria. These animals are currently under threat of extinction.

It would seem beyond belief that a resident of the village has complained about the animals making a noise (ie the clip clop of the hooves as they pass by!) and of them walking down the beck side which is the safest route.

Regards
From a group of people on the route the shire horses take, when going to and from the field.
