# Editor's Letter

Dear Everyone,

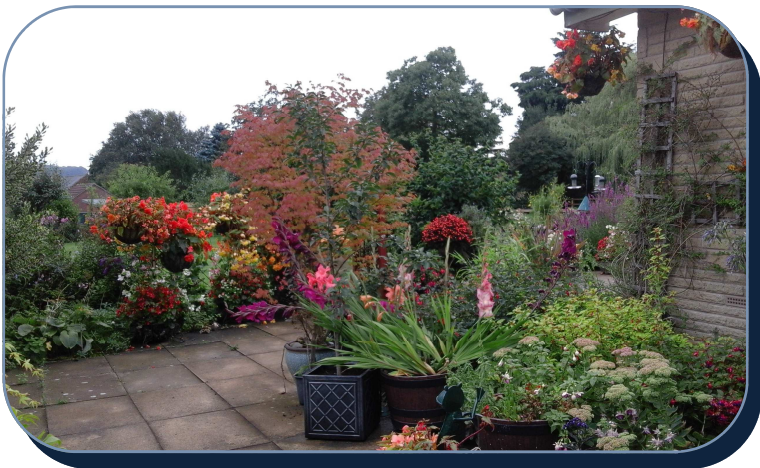

I hope that you have all had a wonderful summer, doing exciting activities, or staying at home enjoying our picturesque village. One resident, who wishes to remain anonymous spends much of her time in the garden and you can see examples of an amazing display throughout this newsletter. If you can see our newsletter on line, then it is so much more impressive in colour.

Congratulations to all the youngsters who received GCSE and A level results. Good luck to those who are going off to university and college.

We would like to welcome any new comers to the village and wish you a long and happy stay. You will find that there is lots to do in the village.

Our next event is the Village Show on September 24th. If any person, family or business would like to sponsor any of the classes, please give Teresa a call. There are more details on page 13, together with the details about the Bonfire on Sunday 5th November, to be held on the field opposite the church.

Thank you to all those who have sent articles for publication in this months newsletter. We are always looking for more articles so if you have something of interest, please let me know.

A word from Rev Barbara Hodgson (priest in our benefice)

Dear friends,

Many young people will have received good, not so good or disappointing news by the time you read this. I refer, of course, to the publication of GCSE & A Level results!! I wonder how you felt as you waited for the dreaded news, I can, I don't think I will ever forget it. Unlike today when you can receive your results by email or text or collect them in a sealed envelope from school, in my day we all went into the hall and each name was read out with the corresponding results, if any, afterwards. It was horrendous, waiting for your name and ??? I wonder, too, how do we cope with disappointing news, with sad news, with happy news, with encouraging news, in fact, how do we cope with news at all. By jove, we see, hear and read enough of it!

How do we, as Christians, deal with the Good News, what is the Good News ? What do we say to people who don't know what the Good News is, who don't know the news of the coming of

the Kingdom of God, or of Jesus' death on the cross & resurrection in order to repair our relationship with God. Oh, we mustn't forget the Holy Spirit and ultimately the second coming of Jesus.

When we think of all this, is it any wonder that folks don't understand what we are all about. May I make a plea that we, church-goers & believers, take some time to pray about, think about and consider very seriously how we might answer these questions in such a way that our family, friends and neighbours, in fact, anyone who we may come into contact with, will find some answers or at least want to find out more, that they will not feel they need an 'A' level in Theological Understanding.

Meanwhile, we pray that whatever the results for our young people, they will prosper on whichever route they choose.

With love, Barbara

The History Group  
will be starting again on  
September 28th in the  
Village Hall.

## All Saints Church Social Committee

The Wedding Days Exhibition in Church was great success with many visitors enjoying the flowers and display of Wedding and Christening gowns from many different eras and families. There were so 2 Wedding Registers available to view dating back to before 1800. Thanks to all those who loaned gowns to show, all those who helped and served refreshments and all who came to view. Also

thanks to Dick Robinson and Wendy Proctor who played the organ during the open afternoons which also entertained visitors.. A special thanks to Susan Ward who masterminded the event to provide an excellent display .A total of £611 was raised for Church funds and a very friendly and social atmosphere was evident. Well done to everyone who helped in any way.

Thank

a  
al-

you.

The flowers were arranged by Yvonne Watt, Christine Sawdon and Prue Butterworth for Penny Sellers and Ralph Windham's wedding. They have been continual supporters of our flower festivals over the years and again did an excellent job to adorn the Church beautifully. As an historical fact , looking back in the registers, Penny's grandparents Jack and Trish Sellers were married here in March 1945 as were Bill and Gertrude Sellers in June 1951 as both brothers were brought up at Low Caythorpe so Penny was continuing a family tradition as I am sure have many other local families. ## Rudston Playing Field

I would just like to say, on going up to the playing field on 2 occasions, 16th and 20th August, it was so nice to see the field being put to the full advantage of sport.

On the first occasion, youngsters in big plastic bubbles were having huge fun, knocking each other over. ("bubble football" I was told), accompanied by adults and supplied with hot dogs and drinks. They were very polite and friendly youngsters.

On the second occasion, August 20th, a football tournament was in progress. Many of the pitches were occupied, with many spectators. A full barbecue was on going and very busy. I was there, to set up for a bowls game, with tea to follow. I had a word with one of the footballers and everything went well.

I would like to thank the football organisers very much, for the tidy state in which they left the field and pavilion. It was a credit to them.

## Rudston Parish Council News

### **Funding for a second defibrillator – GET VOTING!**

The Parish Council are in the process of applying for funding to allow the installation of a second defibrillator within the village. The exact siting of this is yet to be established but as Rudston is quite spread out the installation of a second defibrillator will make sure that the whole village has swift access in the event of an emergency. We have been successful in acquiring a sum of money from the Tesco Bags of Help scheme – but the exact sum we receive depends on how many votes our project accumulates.

Please help us by casting a vote in our favour next time you're in Tesco at Driffield. To vote you will need to make a purchase within the store of any value. You will receive one token per transaction and it's not necessary to purchase a carrier bag in order to receive a token. You then take your token to the voting unit in store and use it to vote for our project which is named Rudston Parish Council – Community Defibrillator. Voting will run throughout September and October. Volunteers still required for V.E.T.S

VETS assists when a lone rescuer must stay with the patient and yet needs help in fetching the community defibrillator. By using a single memorable telephone number, this will ring up to 10 lines at the same time until a helper has been found.

VETS is a community run system, and enables up to 10 local resident volunteers to assist pending the arrival of the emergency services. The system can also be used for any emergency where additional help is required from neighbours, whether Cardiac Arrest or not. The availability of VETS gives a level of reassurance to the elderly, those living alone, and to the infirmed, that there is always help on hand.

The caller is played a simple message before VETS volunteers answer. If no answer, continue CPR until other help or ambulance arrives. VETS does not replace 999 calls.

Please also note that the volunteer number should be a landline only – not a mobile number.

If you feel you are able to be on the VETS list please contact Jennifer Hobson – Clerk to the Parish Council on 01723 890084 or 07542874957, e-mail: [clerk@rudston.org.uk](mailto:clerk@rudston.org.uk)

## Dog Fouling

The issue of dog fouling remains a problem to many local parishes. ERYC have found random patrols to be ineffective. By asking complainants for more information up front the dog warden team are using an intelligence led approach which is increasing the success rate with fixed penalty notices. For example, if a member of the public can tell the dog warden that “a man in a red fleece walks a black labrador on the playing field at 7.30 every morning and never cleans up” it is possible to make sure that the dog warden is in the right place at the right time and looking for the right person. The contact number to call to give any information or make a com-

## Old Lee Bank

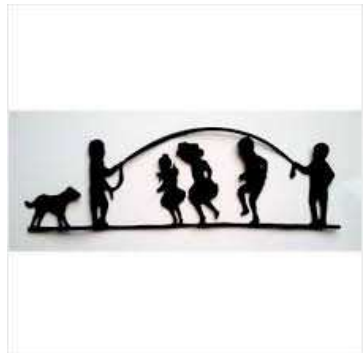

Derelict houses I recall,  
Wallpaper hanging from broken wall,  
Soot blackened chimneybreast,  
The remains of a stair;  
A family's secrets laid bare.

Overgrown cobbles, a rubble-strewn street,  
Pavements that echoed to children's feet,  
Lay silent then,  
On a warm summer day;  
Dim memories fading away.

Where are they now, Dora, Nellie and Frank?  
Games round the gas lamp and down the grass bank,  
Yesterday's children  
Long grown up and gone;  
Does their laughter linger on?

Oh, to turn back the years and to see once more,  
Black-leaded oven through peeling backdoor.  
Now there's concrete and tarmac,  
And traffic roars past.  
How life has slipped by so fast.

Ken Cully
